WEDNESDAY, MAY 22—P. M.

The total transactions to-day were only 50,000 shares, of which the usually active stock, Lake Shore, records only 5,900 shares within a fluctuation of ¼ of 1 per cent, between 62½ and 62¾. The stock closed at 62⅝. Of Michigan Central five shares were sold at 64⅞, and at the end traders were no nearer together than 64¾ bid and 65½ asked. Erie sold to the extent of 1,200 shares at 12⅞@12¾, and closed offered at 12¾. New-York Central sold (200) at 108¼ and (100) at 107¾ seller sixty days, with additional sales of small lots at 108@108⅜. Of the Northwest shares 1,800 common sold at 50¾@50⅝, and 1,600 preferred at 71¾@72. The St. Paul stocks alone showed any life or activity, but these stocks were not left to take care of themselves, being constantly supported by their special adherents; 5,700 shares of the common stock were sold at 51@51⅝@51½, and 6,000 of the preferred at 77¼@77⅞@77¾. Only 500 shares of Wabash changed hands at the one price of 14⅜. At the meeting of directors of this company held to-day, there was such a variance of opinion on certain matters that Cyrus W. Field, a director and a member of the Executive Committee, tendered his resignation, which was promptly accepted by the Board.

Rock Island to-day declined further to 108½ under sales of 1,200 shares; and Chicago, Burlington and Quincy, on sales of 300 shares, dropped to 103⅝. Chicago and Alton (200) sold at 75¾@75½, and Illinois Central (1,100) at 78⅛@78⅛. Ohio and Mississippi stiffened up to 9½ and closed at 9⅜. The speculation in C., C. and I. C., begins to drag, and to-day 400 shares were quoted as selling at 4¼. The basis on which this "fancy" stock was started upward has for the time been destroyed by the postponement of the hearing of its case in the United States Court against the Pennsylvania Railroad until next October or November. Of the coal stocks, the Delawares were heavy in spite of efforts to sustain them. Delaware and Hudson declined from 55½ to 54⅞, and Delaware, Lackawanna and Western from 55½ to 55⅛@55¼. Morris and Essex sold at 80⅞@80⅜. But Central of New Jersey was comparatively firm at its recent advance, selling at 22¾@22@22¾, and Albany and Susquehanna (100) at 83. In Western Union there was a small movement, which lifted its price from 82 to 82⅝, but later it sold at 82⅜. Pacific Mail sold to the extent of 4,000 shares at 18¾@18½@18⅞@18¾.

It was a notable feature of the market to-day that there were many instances of stocks being loaned at a higher rate than the rate for money. Some lots of Lake Shore and Delaware, Lackawanna and Western were loaned, 4 per cent per annum being paid on the advance of the full market value, while the money rate, with the usual margin, was only 2½ per cent. The market closed dull and featureless.
