LOOKING FOR WORK

Everywhere men complain about work: even boys and girls in school or business find work tedious and irksome, but it isn't the work half so much as their own lack of physical strength that makes it hard.

Rich blood, strong lungs and healthful digestion make work pleasurable in business, in school or even housework, and if those who are easily tired—who are not sick, but weak and nervous—would just take Scott's Emulsion for one month and let its pure concentrated food create richer blood to pulsate through every artery and vein—let it build a structure of healthy tissue and give you vigorous strength—you would find work easy and would look for more. Insist on Scott's.

THE PEOPLE'S FORUM

AS WE SEE IT

EDITOR ARDMOREITE:

Cheek, Okla., Nov. 8.—Having read only a part of the doings and sayings of the high-ups, viz. Gov. Williams, State Supt. Wilson, Col. Suggs, and others, will say but little, but I noticed the socialists and republicans are pleased over the arguments.

As Supt. R. H. Wilson touches the tender spots of the rural teachers, mostly, especially those who are not high school or normal graduates, by his radical views on granting teachers' certificates to high school or normal graduates, and changing Articles 9 and 10, and others. The rural teachers recognize Supt. Wilson as a great school man, and as one who is doing good in Oklahoma by his plans, big school meetings, etc., but we believe if only graduates were granted certificates at the present time, seventy-five per cent of the rural schools of the Indian Territory side of Oklahoma would be without teachers for the present year and those undergraduates feel like they have done the work so far and are the pioneers in that line, but realize it would mean putting them out of business soon.

A high school man once told me, a teacher that could not beat $75 a month, there was not much to him. He taught out of his own county.

One of the big school men of the state told me, a teacher ought not to teach unless he was first a graduate, but I think the gentleman taught in district 23 in his home state, for now he gets more in one month than he did in six, his first school.

My observation of 20 years experience in rural schools teaches me that but few boys raised in towns with good opportunities, or graduates, want to teach long in the country schools, for the reason they don't feel like there is much to interest them, especially under circumstances such as exist in the Indian Territory side of Oklahoma.

Perhaps the big schools of the state will be able to supply graduates for all the rural schools soon.

Yours truly,

W. L. HARRIS

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove it

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system.

They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Dr. Edwards' Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color.

Take one or two every night for a week and note the effect. 10c and 25c per box. All druggists.

The Olive Tablet Company, Columbus, O.

Says Woman's Beauty Depends Upon Health

Health and Vigor Necessitate Regulation of Organs of Elimination.

MRS. GERTURDE JORDAN

Skin foods and face creams and powders cannot make a woman beautiful, because beauty lies deeper than that—it depends on health. In most cases the basis of health and the cause of sickness can be traced to the action of the bowels.

The headache, the lassitude, the sallow skin, and the lusterless eyes are usually caused by constipation. An ideal remedy for women, and one that is especially suited to their delicate organisms, is found in Dr. Caldwell's Syrup Pepsin, a mild laxative compound, pleasant to the taste and free from opiates and narcotic drugs of every description. Mrs. Gertrude Jordan, 522 North Liberty St., Indianapolis, Ind., says: "It is simply fine. I have never been able to find anything to compare with Dr. Caldwell's Syrup Pepsin. I started using it for the baby, and now it is my family standby in all cases where a laxative is needed."

Dr. Caldwell's Syrup Pepsin is sold in drug stores for fifty cents a bottle; a trial bottle can be obtained free of charge by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

TAKE CASCARETS IF HEADACHY, BILIOUS AND CONSTIPATED

Best for Liver and Bowels, Bad Breath, Bad Colds, Sour Stomach.

Get a 10-cent box.

Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue, it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet, breath right, complexion rosy and bowels regular for months.
