Carranza is Friendly.

[illegible] April 16.—Over [illegible] the "supreme chief" of the Mexican constitutionalists would have retained his friendship for the United States whatever may have been [illegible] Huerta's conduct in the present crisis. Carranza will make this attitude clear in a statement to be made public at an early date probably tomorrow.

This was the sentiment here tonight of Dr. Henry Allen Tupper, special peace commissioner of the international peace forum, who passed through New Orleans en route to Washington, where he said he would confer with Secretary Bryan.

"It is fortunate for Huerta that he decided to salute the flag," said Dr. Tupper.

Assurances of Carranza's continued friendship for the United States and of his forthcoming statement were received here today by Dr. Tupper, he stated. However, he declined to make public the full content of the dispatches which reached him here.

Dr. Tupper made public an April 7 as official statement from General Carranza, some 600 words in length, in which the constitutionalist leader defined his position as regards the United States and expressed strong personal admiration for President Wilson and Secretary Bryan, calling attention to the manner in which "all representatives and matters called to your attention by the United States in the past received prompt attention."

Dr. Tupper is on his return from his fifth visit to Mexico under his commission during the last year. He stated that he entertained the highest regard for Carranza and had found him a man of inviolable honor with a high regard for his word.

A Single Application Banishes Hair From Face

(Beauty Topics.)

Here is a way to remove obnoxious hair growths while you are preparing your toilette for the evening. Mix into a stiff paste enough powdered delatone and water to cover the hairs not wanted. Apply, and in about 2 minutes rub off and every trace of hair comes with it. Washing the skin to remove the surplus delatone leaves it soft, clear and free from blemish. To insure success, be certain that you get the real delatone.—Ad.

Coxey's Army on Way

(Continued from Page One.)

Jack" Kane, "there's plenty waiting to join us on the way."

On his arrival Coxey made an address in the public square. There was great rejoicing when Henry Vincent, an old man who said he marched with Coxey in 1894, joined the squad and produced a large sack of sandwiches.

The "soldiers" slept with full stomachs.
