LIVE STOCK MARKET.

NEW-YORK, March 14.—BEEVES—Receipts to-day were 85 cars of 1,585 head—45 cars at Jersey City and 40 cars at 60th-st. Total since Saturday, 4,888 head against 10,391 head for the corresponding six days last week. Trade at 60th-st. was anything but active this morning, although the arrivals were light; yet butchers were not in need of much stock, and could only be induced to purchase by liberal offers. Prices on the whole were not much different from the current rates of Wednesday, but in some instances slight concessions were made at Jersey City; there was a slower, dull market, and at a late hour there were offerings that not changed hands. The demand was mainly for Common Cattle, or for anything that could be bought cheap; this caused a tight advance on the low grades, probably $1 per head. Good to Prime Steers dragged at Wednesday's prices. The quality was generally from Common to Fair, with a moderate number of really Choice Cattle.

The range of prices was from 7½c. to dress 55 ⅝, for a load of remarkably Western Oxen, to 10¼c. to dress 67 ⅝, for a few selected Ohio Steers. Several car-loads of light Texas were on sale, but lacked a buyer at 12 ⅝.

SHEEP AND LAMBS—Receipts were 11½ cars of 1,830 head—5 cars at Jersey City and 6½ cars at 60th-st., including 3 cars which arrived late yesterday. Total since Saturday, 19,029 head, against 18,778 sea l for the corresponding six days last week. The heavy run of Sheep for the past last Monday filled butchers so full that with a depressed Easter meat market, they have needed scarcely any since. But they have from time to time been purchasing small lots, when they thought there was a chance to make $5, which although causing no briskness in the market, has come very near keeping the stock cleared up, especially at 60th-st. Still, if we give them credit for telling the truth, there has been no money made during the week on any lots sent to Washington Market, and seldom on stock sold from the slaughter-houses. Shippers have also been losing money—so much in fact, that they come on here as mad as a "wet hen," and after letting off a share of their surplus gas on the much-wronged salesmen, they turn upon the innocent reporters, forgetting all about the suggestions and kindly advice given by THE TRIBUNE more than a week ago. While our sympathies are with the shipper, as well as the butcher, we think that much of the loss they repeatedly sustain is caused by their own folly, and against the advice of their best salesmen. The tone of the market to-day was weak, notwithstanding the light supply, and yesterday's prices were barely sustained. The transactions in Sheep range from $5 15@$6 per cwt.—latter price for a prime load for export. A car-load of Michigan Lambs changed hands at 8c., and a small lot of State at the same price.

Sales—Hallenbeck & Davis sold at 60th-st.: 172 State Sheep, 106 ⅝, at $5 40 per cwt; 35 State Lambs, 70 ⅝, at 6c.

HOGS—Receipts were 40 cars of 5,070 head—22 cars at 40th-st. and 18 cars at Jersey City. Total since Saturday, 28,924 head, against 22,511 head for the corresponding six days last week. A car-load of Live Hogs was sold to-day, at about the current prices of yesterday; it probably not far from 4c. Market dull and quotations nominal.
