Government bonds were strong and active for the new 4 per cents, the other issues being steady and dull. A large demand for the $10 refunding certificates is reported by the Government agencies having them for sale. Districts of Columbia 3-65s were in request at 84¾@84⅞, as it was anticipated that proposed legislation at Albany adding these bonds to the list of investments allowed to savings institutions and trust funds would be carried through. Annexed are closing quotations:
