KENNEDY AND WELLS DECIDE TITLE TODAY

Lowe Harris Gives Kennedy an Unexpected Hard Battle

WELLS EASY WINNER

Eliminates Opponent, Bates, by 6 and 4; Other Tournament Results

By Associated Press Staff Wire.

OKLAHOMA CITY, June 15.—James Kennedy, of Tulsa, 1920 champion, and Carl L. Wells of Oklahoma City, medalist, will meet tomorrow over the Oklahoma City country club course for a 36-hole match to determine the amateur championship of Oklahoma for 1921.

These two favorites from the east won their matches with perfect ease today and contrary to expectations Kennedy had the harder game in eliminating Lowe Harris of Oklahoma City than did Wells in defeating E. P. Bates, state champion in 1918.

Bates was beaten six up and four to play.

Harris, however, got the jump on Kennedy at the second hole and was close up on the champion at the close of the morning round. The second of tournament play, in which players unaccustomed, told on him in the afternoon rounds, though, and he was eliminated on the 33rd hole, four up.

WOMEN WHO CANNOT WORK
Read Mrs. Corley's Letter and Benefit by Her Experience

Edmund, S. C.—"I was run down with nervousness and female trouble and suffered every month. I was not able to do any work and tried a lot of medicines but got no relief. I saw your medicine advertised in a little book, and I had not taken two bottles of Lydia E. Pinkham's Vegetable Compound before I could see it was helping me. I am keeping house now and am able to do all of my work. I cannot say enough for your medicine. It has done more for me than any doctor. You may print this letter if you wish."—ELIZABETH C. CORLEY, care of A. P. Corley, Edmund, S. C.

Ability to stand the strain of work is the privilege of the strong and healthy, but how our hearts ache for the weak and sickly women struggling with their daily rounds of household duties, with backaches, headaches, nervousness and almost every movement brings a new pain. Why will not the mass of letters from women all over this country, which we have been publishing, convince such women that Lydia E. Pinkham's Vegetable Compound will help them just as surely as it did Mrs. Corley?
