# BOYCOTT RAILROAD

**Railroad Raised Rates and Commuters Resent it.**

**NOW TRAVEL BY TROLLEY**

**Have Instituted a Boycott Against the New York Central But the Railroad Incident as Far as They Are Concerned Company Say the Matter is a Closed**

NEW YORK, July 2.—A boycott of more than passing interest has been instituted by suburban residents against the New York Central Railroad. Recently the railroad company announced an increase in commutation rates on the Harlem division with the result that the company was assailed with protests from the commuters of Mount Vernon, White Plains, Tuckahoe, and other nearby towns.

These protests failing of effect, meetings were held by commuters and resolutions adopted to boycott the railroad until it shall restore the old rates, the commuters meantime riding to and from New York on the trolley cars. July 1 was the date set for the boycott to begin and many of the commuters have stuck to the agreement and are using the trolley cars.

Another move in the fight is to bombard the railroad company with an endless chain of letters. This action was decided upon by a Mount Vernon resident and will be inaugurated immediately. Another step contemplated is an appeal to the public utilities commission. At the office of the New York Central Railroad Company the officials said the raising of the commutation rate was regarded as a closed incident and would remain so as far as the officials are concerned.

### BIG FIRE IN DENVER.

DENVER, July 2.—Fire which was discovered in the hardwood company's lumber yards in this city at 1:45 this morning did nearly $150,000 damege before brought under control. The yards are a thickly populated portion of the city and it was only by hard work that the flames were kept from spreading. As it was, nearly all the windows in the residence for a radius of a 100 yards were broken by the heat.

**The Charming Woman**

is not necessarily one of perfect form and features. Many a plain woman who could never serve as an artist's model, possesses those rare qualities that all the world admires: neatness, clear eyes, clear smooth skin and that sprightliness of step and action that accompany good health. A physically weak woman is never attractive, not even to herself. Electric Bitters restore weak women, give strong nerves, bright eyes, smooth, velvety skin, beautiful complexion. Guaranteed at Charles Rogers, druggist, 50c.

### THE CAR MENS STRIKE.

**Several Cars Stoned Last Night, Finances in Good Shape.**

SAN FRANCISCO, July 2.—The California Cable line was put in operation yesterday for the first time since the carmen struck. The cars were manned by non-union men who were broke in last week.

After a quiet week in the strike several cars were stoned last night in various parts of the city. $1,000 strike benefit was distributed to the striking carmen and Treasurer Bowing reported the union's treasury in good condition.

The labor leaders who held a conference with President Calhoun last Friday declared last night that it was their intention to call on him again today. The slender hope of an end to the car strike which had been aroused by the conference has all but vanished.

**The Doctor Away From Home When Most Needed.**

People are often very much disappointed to find that their family physician is away from home when they most need his services. Diseases like cramp colic and cholera morbus require prompt treatment, and have in many instances proven fatal before medicine could be procured or a physician summoned. The right way is to keep at hand a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. No physician can prescribe a better midicine for these diseases. By having it in the house you escape much pain and suffering and all risk. Buy it now; it may save life. For sale by Frank Hart and leading druggists.

### SPECULATION CAUSES FAILURE.

BERLIN, June 2.—The failure of the Marienburg is ascribed to the prevaling mania for speculation. It came as a great surprise. Many thousands of small inventors lost their all and many tradesmen are ruined. There were pitiful scenes outside the bank. The manager Herr Woelkee, acknowledged embezzling $100,000 from the bank. His wife has gven her private fortune of $18,750 towards replacing the deficit.
