The Santa Monica Hotel, under the proprietorship of Mr. M. D. Johnson, has been opened for the fall and winter seasons. Guests will be provided with every comfort, including fires when they desire them. The Santa Monica Hotel has always been noted for the excellence of its table, nearness to the ocean enabling its proprietor to supply his guests with every variety of fish common to this coast, including many kinds noted for their excellence. It is the labor of the proprietor to insure his guests the comforts of a home. The extreme mildness and salubrity of the fall and winter climate of Santa Monica are matters of universal notoriety. The place has that precise equability of temperature so necessary to the comfort and restoration to health of invalids. The completest bathing establishment on the Pacific Coast lies just in front of the hotel, on the beach. Here the visitor can enjoy hot and cold salt and fresh water baths. During very many days of the winter months a robust person may bathe in the surf itself, the temperature of the water being quite high—something above the May temperature at Long Branch. The fishing and hunting are quite attractive. Trains run every day, at convenient hours, between Santa Monica and Los Angeles. The rates for board at the Santa Monica Hotel are quite moderate. oc11

DR. PIERCE'S STANDARD REMEDIES

Are not advertised as "cure-alls," but are specifics in the diseases for which they are recommended.

NATURAL SELECTION.

Investigators of natural science have demonstrated beyond controvery that throughout the animal kingdom the "survival of the fittest" is the only law that vouchsafes thrift and perpetuity. Does not the same principle govern the commercial prosperity of man? An inferior cannot supercede a superior article. By reason of superior merit, Dr. Pierce's Standard Medicines have outrivaled all others. Their sale in the United States alone exceeds one million dollars per annum, while the amount exported foots up to several hundred thousands more. No business could grow to such gigantic proportions and rest upon any other basis than that of merit.

AN OPEN LETTER—IT SPEAKS FOR ITSELF.

ROCKPORT, Mass., April 2, 1877.
MR. EDITOR:—Having read in your paper reports of the remarkable cures of catarrh, I am induced to tell "what I know about catarrh," and I fancy the "snuff" and "inhaling tube" makers (mere dollar grabbers) would be glad if they could emblazon a similar cure in the papers. For 26 years I suffered with catarrh. The nasal passages became completely closed. "Snuff," "dust," "ashes," "inhaling-tubes," and "sticks" wouldn't work, though at intervals I would sniff up the so-called catarrh snuff, until I became a valuable tester for such medicines. I gradually grew worse, and no one can know if he much I suffered or what a miserable being I was. My head ached over my eyes until I was confined to my bed for many successive days, suffering the most intense pain, which at one time lasted continuously for 168 hours. All sense of smell and taste gone, sight and hearing impaired, body shrunken and weakened nervous system shattered and constitution broken, and I was hawking and spitting seven-eighths of the time. I prayed for death to relieve me of my suffering. A favorable notice in your paper of Dr. Sage's Catarrh Remedy induced me to purchase a package and use it with Dr. Pierce's Nasal Douche, which applies the remedy by hydrostatic pressure, the only way compatible with common sense. Well, Mr. Editor, it did not cure me in three-fourths of a second, nor in one hour or month, but in less than eight minutes I was relieved, and in three months entirely cured, and have remained so over sixteen months. While using the Catarrh remedy, I used Dr. Pierce's Golden Medical Discovery to purify my blood and strengthen my stomach. I also kept my liver active and bowels regular by the use of his Pleasant Purgative Pellets. If my experience will induce other suffers to seek the same means of relief, this letter will have answered its purpose.
Yours truly, S. D. REMICK.

Golden Medical Discovery

By reason of its alterative properties, cures Diseases of the Blood and Skin, as Scrofula, or King's Evil; Tumors; Ulcers, or Old Sores; Blotches, Pimples and Eruptions. By virtue of its Pectoral properties it cures Bronchial, Throat and Lung affections; Incipient Consumption; Lingering Coughs, and Chronic Laryngitis. Its Cholagogue properties, render it an unequal remedy for Biliousness; Torpid Liver, or "Liver Complaint;" and its Tonic properties make it equally efficacious in curing Indigestion, Loss of Appetite and Dyspepsia.

Where the skin is sallow and covered with blotches and pimples, or where there are scrofulous, swellings and affections, a few bottles of Golden Medical Discovery will effect an entire cure. If you feel drowsy, debilitated, have sallow color of skin or yellowish-brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits and gloomy forebodings, irregular appetite and tongue coated, you are suffering from Torpid Liver or Biliousness, in many cases of Liver Complaint, only part of these symptoms are experienced. As a remedy for all such cases, Dr. Pierce's Golden Medical Discovery has no equal, as it effects perfect cures, leaving the liver strengthened and healthy.

MISCELLANEOUS.

The Hygienic Filter
.....AND.....
Water Cooler.

This invention places within the reach of every family the means of procuring pure and wholesome water. It will remove all decayed animal, vegetable or foreign matter, mud, sand, alkali, etc., thoroughly cleansing and also cooling the water, by reason of its being made of porous pottery, to a degree healthier and pleasanter to drink than ice water.

HOW THE WATER IS CLEANSED.

First the water passes down through four inches of assorted Marine Grass, then through eight inches of Raten, White Willow and Animal Charaoal; then ascends twelve inches through Fresh Water Sand and Marble Dust; then descends again through twelve inches of Charcoal.

The filter, with all its tubes, is made of Terra Cotta, and is so arranged that all the filtering material can be removed and repacked entirely with new material, at a trifling expense.

They are manufactured in two sizes viz: The Family Size, to contain four gallons, and the Office Size, to contain two gallons, of filtered water. The Family Size will filter thirty and the Office Size fifteen gallons of water in twenty-four hours.

In Oakland alone there are about five hundred of these filters now in use, giving perfect satisfaction, and a testimonial from the owner of each one can be had at any time.
