The State bond market continues dull and without feature. Louisiana consols sold at 45@44⅞, and Missouri 6s landed at 110.

The dealings in railroad bonds covered a very large variety of issues. Among the speculative classes the feature was Missouri, Kansas and Texas seconds, of which $513,000 were sold at prices from 50⅝ up to 51½. The first consols rose from 93½ to 94½. Erie second consols were not active, but rose from 87¼ to 87⅞, funded 5s selling at 82⅝@82¼ against 82½ yesterday. A large business was done in Mobile and Ohio first debentures at from 66⅞ to 68½, and the second debentures rose from 44 to 45½, the third debentures selling at 38⅞ against 38 yesterday. St. Louis and Iron Mountain first incomes rose ½ per cent to 83½, and the second incomes advanced 1⅜ per cent to 71¼. Lake Erie and Western incomes sold at 61¼@62@61⅝, against 60 yesterday, and Lafayette, Bloomington and Western at 64⅞, against 64. Central of New-Jersey consols advanced ½ per cent to 105. Metropolitan Elevated firsts declined 1 per cent, to 109⅞. There was a sale of Philadelphia and Reading 6s general mortgage at 80. Texas Pacific incomes rose from 73 to 75@74½. The investment bonds were all strong, and prices generally higher.

The Sub-Treasury to-day lost $107,747 on balance made up by a coin loss of $142,640, less a currency gain of $34,893. This makes the total loss since Friday $2,123,700. There is no change in money, the rate being 6 per cent with perhaps fewer cases to-day where additional commissions were paid. The domestic exchanges are stronger at all points, being quoted at the places named 98 follows: Savannah, ¼ discount to ⅛ premium; Charleston, 3/16 discount to par; New-Orleans, commercial $3 50, bank $1 50 discount; St. Louis, par to 50 cents premium; Chicago, 75 cents premium; Boston, par. The United States Treasurer at Washington to-day received $58,000 in National bank notes for redemption. The customs receipts were $473,000, and the internal revenue receipts were $838,000. The Clearing House statement is as follows: Exchanges, $106,635,647; balances, $4,073,066. The budgets at the Sub-Treasury covered: Receipts, $951,312; payments, $1,059,059; currency balance, $5,522,671; coin balance, $102,112,553.
