A large business was done in railroad bonds, and generally at higher figures, although the best prices were not fully sustained at the end. Among the speculative issues those of Missouri, Kansas and Texas again were conspicuous: the first consols rose 1 per cent to 95½ and closed at 95, while the seconds, of which $1,217,000 were dealt in, advanced from 54½ to 56¼, later selling at 54¾@55½. Mobile and Ohio debentures were in demand, the firsts rising to 69¼@68⅞, the seconds selling up to 48½, against 45½ yesterday, the thirds at 38½, and the fourths at 36. St. Louis and Iron Mountain incomes advanced 1½ per cent to 85, the second incomes being steady at 71¾@71½, against 71¼ yesterday. Lake Erie and Western incomes sold at 62½@62¼ against 61⅝, but Texas Pacific incomes, after rising ½ per cent to 75, fell to 73½. Chesapeake and Ohio firsts, series B, were steady at 64¼@64, but the currency interest bonds advanced from 38 to 39@38½. C., C. and I. C. first supplementary assented bonds recovered from 83¾ to 84½, the new incomes rising to 33. Among the investment bonds Mobile and Ohio first 6s sold at 98, New-Jersey Central consols at 105¼, Delaware, Lackawanna and Western sevens at 108½, Lake Erie and Western firsts at 95, Lafayette, Bloomington and Muncie firsts at 92½, St. Louis and Iron Mountain second mortgage bonds at 97⅞@97¾, Central Pacific gold and Union Pacific firsts each at 109, St. Paul sinking funds at 108, Northwest gold consols at 116, and St. Paul and Sioux City first 6s at 98. The sub-Treasury to-day lost $869,369 on balance made up by a coin loss of $146,437 less a currency gain of $77,041. This makes the total loss since Friday $2,483,096. The payments for the purchases of Government bonds, which were mostly made by checks very sensibly affected the money market to-day, and the rates on call loans were from 5 to 6 per cent, with a little late business at 4 per cent. Discounts are dull, and leading dealers quote rates as follows:

	Sixty days.	Four months.
Double-named:		
First-class	5½@6	5⅝@6
Good	6 @7	6 @7
Single-named:		
First-class	6 @6½	6 @6½

Not so well known	9 @10	9 @10

The domestic exchanges on New-York at the places named are quoted as follows: Savannah, ½ discount bid, ¼ premium asked; Charleston, 5/16 discount to par; New-Orleans, commercial $3 50, bank $1 discount; St. Louis, par; Chicago, 50@75 cents premium; Boston, par. The United States Treasurer at Washington to-day received $96,000 in National bank notes for redemption. The customs receipts were $686,000, and the internal revenue receipts were $398,000. The Clearing House statement is as follows: Exchanges, $99,115,194; balances, $4,339,153. The business at the Sub-Treasury covered: Receipts, $869,809; payments, $939,204; currency balance, $5,599,713; coin balance, $101,966,116.

The following were to-day's quotations for domestic and foreign coins and bullion:

Foreign exchange is very firm at the rates, but is still dull with a small business doing. The following are the quotations:

	60 days.	3 days.
