LIVE STOCK MARKET.

NEW-YORK, Feb. 13.—BEEVES—Receipts were 137 cars of 2,275 head—84 cars at Jersey City and 53 cars at 60th-st. Total since Saturday, 11,366 head, against 11,673 head for the corresponding six days last week. Besides the fresh receipts there were about 25 car-loads of Cattle in the yards left over from previous arrivals. The supply was not large at either of the stock yards, but with warm, damp weather and an unusually bad dressed meat market, butchers could hardly be induced to operate at all. They argued that the recent decline in Green Hides, and the probability of having to accept 5c. per lb. for Fat after to-morrow makes a difference of $3 or $4 in the worth of every Bullock they buy. Then, too, it is almost impossible to get rid of the Dressed Beef at anything like paying prices. On the other hand, sellers have been losing heavily all the week. Stock costs pretty high in the West, and with steadily declining markets here the business makes a very poor showing. Trade to-day was probably as dull as at any time during the past six months, and although liberal concessions were made, the yards could not be cleared by some 15 car-loads. Sellers rated the market at 60th-st. ¼c. off, and at Jersey City from ¼c. to ½c. lower than the figures current Wednesday. The transactions were at 3@3¾c., live weight, for some Poor Oxen and Dry Cows, and 7@8c., to dress 54@56 lb; Poor to Fair Steers sold at 7¼@8c., to dress 55@56 lb; Good to Choice at 9¼@9 ¾c., to dress 56 lb; few Extra at 10¼@10¾c., to dress 57 lb. Exporters purchased 900 head, part for shipment alive and part in quarters: said F. R. Lang, 24 Choice Steers at the 60th-st. yards. The Urban Ham had 24 Choice Steers at the Lachs or Furst; the Alastia Barge, with 90 Live Cattle for G. Martin, will sail to-night if there is enough wind. To-morrow the City of New-York will take out 100 Live Cattle for Kahn & Furst; the Alastia 110 Live Cattle for F. R. Lingham, and 60 quarters of Beef and 200 carcasses of Mutton for Joseph Eastman; the Bacchia 70 Live Cattle for F. R. Lingham; the Devonia 24 0 quarters of Beef and 700 carcasses of Mutton, and the Celtic 624 quarters of Beef and 200 carcasses of Mutton, both cargoes for Joseph Eastman. The Marengo, with 108 Live Cattle for T. C. Eastman, may not sail before Monday.
