BEEVES—Receipts yesterday and to-day were 105 carloads at Jersey City and 359 cars at 60th-st., making 4,127 head, against 4,086 head last Monday. The arrivals the past week were 370 less than the week before, 219 head more than the corresponding week last year. The large receipts of live stock during the week were: T. C. Eastman, 2,046 head; I. Wolzel, 1,365 head; Morris & Slegel, 757 head; S. W. Allerton, 544 head; F. Joseph, 523 head; Meyer & Regenstein, 524 head; H. Kiopfer, 457 head; Kahn & Furst, 445 head; F. Samuels, 421 head; Levy & May Bros., 398 head.

The exports for the week ending Saturday, February 14, were as follows: By T. C. Eastman, 530 live cattle; F. R. Lingham, 240 live cattle; M. Gildesmith, 218 live cattle; S. Martin, 116 live cattle; Kahn & Furst, 100 live cattle; Winton Brothers, 99 live cattle; A. A. Outerbridge & Co., 30 live sheep; Joseph Eastman, 7,372 quarters of beef, a d 3,200 carcasses of mutton; Sherman & Gillett; 940 quarters of beef, 150 carcasses of mutton, and 200 dressed hogs; D. Tuffey & Co.; 725 quarters of beef, 250 carcasses of mutton and 150 dressed hogs; M. H. Gillett & Co., 524 quarters of beef, 100 dressed hogs, and 10 carcasses of veal—making a total of 3,29 live cattle, 9,661 quarters of beef, 30 live sheep, 2,700 carcasses of mutton, 450 dressed hogs, and 10 carcasses of veal, against 1,896 live cattle, 4,748 quarters of beef, 1,300 carcasses of mutton, and 150 dressed hogs last week.

To-day cattle were one of the dullest and most unsatisfactory weeks experienced in the cattle trade for several months. The receipts were 11,193 head and the exports about 3,600 head, which left 7,500 head for home consumption. Usually that is more too many to supply the regular trade, but the fact of its being the first week in Lent caused a very limited demand for dressed beef, consequently fewer cattle were needed to meet all inquiries. From the close on Monday until the finish on Friday prices had fallen off pretty nearly ½c. per lb. and some 20 car loads of cattle were carried over until today. At no time during the week have the yards been entirely cleared of stock. To-day the fresh receipts were only 4,127 head, and with nearly 1,500 head taken by exporters, sellers were holding for stronger prices on nearly all grades of Cattle. Buyers were by no means free in stock purchased at Friday's prices, but were compelled to pay an advance of ½c. per lb or go without. The quality of the offerings was above the average, in fact, three-fourths of the receipts were of Good to Prime Cattle. Mr. Eastman had 86 cars of Choice Selected Steers at the 30th-st. yards; considering the number, there has probably been no better lot in the yards for at least a year. Nine hundred head were valued at 10@10½c., to dress 57 lb; many of these will be taken for shipping alive. The transactions to-day were at 7½@8½c., to dress 55 lb, for Old Dry Cows, Rough Oxen and Stags, 7½@9½c., to dress 55@56 lb, for Poor to Fair Steers; 9½@11c., to dress 56@58 lb, for Good to Strictly Choice; three head reached the extreme figure of 11½c., to dress 58 lb. About 50 head of Extra Steers sold at 11c., to dress 58 lb—including 15 which averaged 1,872 lb, purchased by Mr. Goldsmith for export alive, and 29 which averaged 1,541 lb, bought by D. Scollinger for W. Altman & Co. Three car-loads of Fair Corn-fed Cherokees were sold at 9c., to dress 55 lb, and several lots of Bull s at 3¾@4¼c., live weight.

From fresh receipts Mr. Eastman reserved about 1,200 head, nearly one-half of which are for shipment alive. Mr. Goldsmith reserved 5 car-loads of good Missouri Steers and Smith reserved 5 car-loads of good Missouri Steers and bought 41 head on the market. D. Tuffey & Co. purchased 93 head, and Sherman & Gillett 73 head for their beef export trade. No shipments to-day. To-morrow Mr. Goldsmith ships 213 live cattle by the Bristol steamer and J. C. Eastman will load the City of London with 500 or 600 live cattle.
