BEEVES—Receipts yesterday and to-day were 110 car loads at Jersey City and 125 cars at Gotham, making 235 in all, against 9,127 last week and 9,967 last week. The arrivals the past week were 9,845 head more than last week, and 1,146 more than the corresponding week last year. The large receipts of live stock during the week were: T. G. Eastman, 1,732 head; I. Walton, 1,515 head; Morris & Slegel, Sumner & Mulrooney, 600 head; Meyer & Blanchard, 600 head; R. Rae, 550 head; Leyt & Bro., 500 head; F. Jones, 400 head; H. Bray, 375 head; Levy & May Bros., 300 head; S. W. Alderton, 300 head.

The receipts for the week ending Saturday, February 28, were as follows: By T. G. Eastman, 2,732 Live Cattle; F. B. Clagham, 300 Live Cattle; George Martin, 300 Live Cattle; Joseph Eastman, 2,300 quarters of Beef and 500 carcasses of Mutton; Morris & Slegel, 1,200 quarters of Beef, 1,000 carcasses of Mutton and 400 Dressed Hogs; Sumner & Mulrooney, 1,000 Live Cattle; 4,715 quarters of Beef; J. D. Toffey & Co., 500 quarters of Beef, 1,000 carcasses of Mutton and 150 Dressed Hogs; Jones & Lough, 10 Live Sheep; master's Sale of 800 Live Cattle, 4,715 quarters of Beef, 1,000 Live Sheep, 1,400 carcasses of Mutton and 500 Dressed Hogs; sumner 300 Live Cattle, 6,188 quarters of Beef, 1,700 carcasses of Mutton and 350 Dressed Hogs last week.

The week under review has been more satisfactory than its predecessor, not only to the selling interest, but to shippers as well. It must not be supposed, however, that the balance sheet shows a profitable week's business for other shippers of butchers, as, on the contrary, the losses are still considerable. But the Cattle case a little less at most of the West-ern distributing points, and with a partly steady market at home and some better prices abroad, the loss at Chicago for the month of February, from Monday until the close on Friday, stands varied scarcely more than $1 per head, and as the rates were entirely cleared on Friday, the outlook for this week was certainly much more favorable for shippers. The receipts of stock at both places, however, with a light run of stock at both yards, and fair weather and rather more favorable reports from Washington Market, trade was fair and all the Cattle were sold at an average of 50c. per lb advance from the current rates of last Friday. Common and Medium Cattle were particularly strong, and in some instances an advance of nearly 5c. was obtained. The offerings comprised a miscellaneous lot of Western of cattle, ranging from some Poor Oxen, which were sold at 7½c. to dress 55 lb, to a few Fancy Selected Steers, which reached the extreme figure of 11½c. to dress 58 lb. Business in every thing was cleared out during the morning, and a moderate sorting on Wednesday will insure an equally as good market, and possibly a better one.

From fresh receipts Mr. Eastman reserved 261 head for export alive, and 250 for shipment dressed. He also reserved 105 head and purchased 5 head to complete his cargo of Live Cattle to sail early to-morrow morning. D. Toffey & Co. purchased 86 head, and Sherman & Gillett 71 head, all for exportation in quarters. No shipments to-day. To-morrow the steamer Ceat takes out 110 Live Cattle for M. Gottsberger, and the Montana sails with 2,600 quarters of Beef and 1,000 carcasses of Mutton for Joseph Eastman. The steamers Holland and Erin will sail on Wednesday with full cargoes of Live Cattle and dressed Beef and Mutton for T. G. Eastman and D. Toffey & Co.

The steamer Hindoo, reported this morning as having sunk in mid-ocean, sailed from this port on February 11 with 200 Live Cattle for T. G. Eastman. It is understood that the Cattle were partially insured, but what proportion of the loss the underwriters will have to bear is not generally known.
