J. H. ZEILIN & CO., Macon, Ga., and Philadelphia.

THE SYMPTOMS of Liver Complaint are uneasiness and pain in the side. Sometimes the pain is in the shoulder, and is mistaken for rheumatism. The stomach is affected with *loss of appetite* and sickness, bowels in general costive, sometimes alternating with loose. The *head* is troubled with pain, and dull, heavy sensation, considerable *loss of memory*, accompanied with painful sensation of *having left undone* something which ought to have been done. Often complaining of weakness, *debility*, and low spirits. Sometimes many of the above *symptoms* attend the disease, and at other times very few of them, but the *Liver* is generally the organ most involved.

NEARLY ALL DISEASES originate from *Indigestion* and *Torpidity* of the *Liver*, and *relief* is always anxiously sought after. When the *Liver* is *Regulated* in its action, health is almost invariably secured. Want of action in the Liver cause *Headache, Constipation, Jaundice, Pain in the Shoulders, Cough, Chills, Dizziness, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Depression of Spirits, or the Blues*, and a hundred other symptoms, for which **SIMMONS' LIVER REGULATOR** is the best remedy that has *ever been discovered*. It acts *mildly*, effectually, and, being a simple *vegetable* compound can do no injury in any quantities that it may be taken. It is *harmless* in every way; it has been used for **40 years** and hundreds of the good and *great* from all parts of the country will testify to its being *the purest and best*.

THE CLERGY—"My wife and self have used the Regulator for years, and testify to its great virtues."—Rev. J. R. FELDER, Perry, Ga.

LADIES' INDORSEMENT—"I have given your medicine a thorough trial, and in no case has it failed to give full satisfaction."—ELLEN MEACHAM, Chattahoochee, Fla.
