LIVE STOCK MARKET.

NEW-YORK, March 10.—BEEVES—Receipts yesterday and today were 290 cars of 4,562 head—162 cars at 60th st. and 128 cars at Jersey City. Total since Saturday, 9,110 head, against 7,413 head for the corresponding time last week. Withdrawal movement in the dressed beef market equal to forty ¼c. per ℔, and continued favorable weather has encouraged to operate on a larger scale than for several weeks past. The demand, therefore, for live cattle was exceptionally good this morning and the market was one of the best we have had this season. About 250 head were taken from the 60th st. offerings for export, and the balance were all sold by 9 a. m. at an advance of a shade at most quotations, the strongest only a trifle more. Scarcely 100 head were purchased by exporters at Jersey City, but the remaining 2,000 head were all wanted by home trade slaughterers at strong Monday's prices. Light Steers, of 1,000 to 1,150 ℔ average, showed more strength than any other grade, and were really sold a shade higher than other offerings on Monday. A carload of prime Virginia "scrubs" went as low as 8¼c. to dress 55 ℔, and about 3 carloads of coarse Oxen sold at 8⅛@8¾c. to dress 55 ℔; but the range for ordinary to good Steers was from 9c. to 10c., to dress 56 ℔; and prime to extra at 10¼@10½c. to dress 56@57 ℔. The steamer lots took out 700 Live Cattle for P. O. Eastman, and also quarters of Beef, and carcasses of Mutton, and 1,0 Dressed Hogs for D. Tofey & Co. A large number of Live Cattle, and some Dressed Beef and Mutton will be shipped to-morrow.
