SATURDAY, April 10—P. M.

The speculative movements in stocks to-day were not specially important. The total transactions amounted only to 215,908 shares, against 331,529 shares yesterday and 416,333 shares on Thursday. Generally weakness was the prevailing feature, relieved by an occasional burst of "bull" enthusiasm. After the publication of the bank statement there was quite a sharp rally in prices, most conspicuous, however, in the coal shares and Pacific Mail. The fact that the bank's deficit was reduced $202,450 was very ingeniously woven into an idea that the statement was a favorable one, notwithstanding that the total reserves show a decline of over $500,000. But either the theory was discovered to be unsound, or its instigators used it to make a market on which to sell stocks, and before the close prices again were on the descending scale.

The sensation of the day, however, was the sudden and unannounced closing of the transfers of Missouri, Kansas and Texas Railroad Company. As the supposed brokers of a prominent operator as well as of a prominent official of the company have been large borrowers of the stock, it was assumed that on Monday the street will have all its stock returned, and as a consequence its price declined to 39½@39⅞. This movement helped along the weak feeling at the close. The principal dealings were in Missouri, Kansas and Texas at 42¼@39½@39⅞, Central of New-Jersey at 79@78¼@79⅜@79, Erie at 44½@44@44¼, Manhattan Elevated at 28½@29¼@27⅞@28, Pacific Mail at 42⅛@42⅜@41⅜@41⅞, and Delaware, Lackawanna and Western at 91⅞@91⅜@91⅝. Delaware and Hudson, with a small business, fluctuated between 82 and 83½, finally closing at 82⅜ against 82¾ yesterday. Lake Shore and Michigan Central were dull, the grangers strong and dull, and the Hannibal and St. Josephs and the Wabashes steady or a shade higher. Western Union was inactive, resulting in a small decline for its price. The market closed irregularly weak.

The final changes from the closing price yesterday are as follows: Declines—St. Paul, Lake Shore, Ontario and Western and Union Pacific, each ⅛; C., C. and I. C., Chesapeake and Ohio, Michigan Central, Erie common and preferred, Ohio and Mississippi and Pacific Mail, each ¼; Canada Southern, Delaware, Lackawanna and Western, Delaware and Hudson, Central and Hudson, Northern Pacific preferred, and Iron Mountain, each ⅜; Ohio and Mississippi preferred and Western Union, each ½; Northern Pacific, ¾; Rock Island, ⅞; Nashville, Chattanooga and St. Louis, 1; Chicago, St. Louis and New-Orleans, 1¼; Manhattan Elevated, 1⅝; and Missouri, Kansas and Texas, 2½ per cent. Advances—Northwest, ⅜; Central Pacific, New-Jersey Central, Reading, and Wabash preferred, each ¼; Hannibal and St. Joseph preferred, ⅜; Mobile and Ohio, and St. Louis and San Francisco, each ½; Hannibal and St. Joseph ¾, St. Paul and Sioux City preferred, 1; St. Paul and Sioux City, 1⅜; Metropolitan Elevated 1½, and Chicago, St. Paul and Minneapolis 2 per cent.

The bank statement to-day shows that the average condition of the banks this week was a little better than it was for the preceding week. But this is because the actual condition at the beginning of this week was better than the last statement. The reverse is the case this week. The report shows a loss to the total reserve of $557,300, and the reported deficit is still $107,450. The real deficit last night is much larger than the average for the week. The following are the totals of the statement and changes of the week:

Loans	$288,470,000	Dec.	$2,168,000
Specie	52,023,000	Dec.	1,045,700

The Sub-Treasury to-day gained $417,549 on balance, made up by gains of $142,339 currency and $275,210 coin. Money was easier—a not unusual event on Saturday—and the business was done at 6 per cent both on Governments and miscellaneous collaterals. After the accounts were well made up there was no price for money and the "boys" amused themselves by offering it flat, and even offered to-day ¼ to have it carried. The changes in the domestic exchanges on New-York are covered by a decline to 50 cents discount at St. Louis. The customs receipts reported at Washington to-day amounted to $694,967, and the internal revenue receipts to $299,979. The Treasurer received $168,000 in National bank notes for redemption; the totals of such receipts for the week, compared with those of the corresponding week of last year, were as follows:

	1879.	1880.
New-York	$1,149,000	$168,000
