In State bonds, Louisiana consols were a little higher with sales at 51, other issues being neglected.

Of city bank stocks there were sold Metropolitan [51] at 150, and Phenix (100) at 100½.

The dealings in railroad bonds, which included fifty-nine different varieties, presented nothing of special interest. Some of the speculative kinds made some recoveries from yesterday's decline, while others were still lower. Erie second consols, after sales at 89¾, sold at 91 against 90 yesterday, and the funded 5s were ½ higher at 84½. Missouri, Kansas and Texas seconds, after selling down to 60¼, rallied to 62 against 60¾ yesterday, but the first consols were ⅛ lower at 99⅞. Rome, Watertown and Ogdensburg first consols fell from 66 to 63½, and Chesapeake and Ohio firsts, series B, from 69 to 68, but the currency interest debt bonds were ¼ higher at 42. Mobile and Ohio first debentures yielded to 73. Canada Southern firsts were ½ better at 90¾, and Ohio and Mississippi seconds 1⅛ lower at 112¾. St. Louis and Iron Mountain second incomes were active, declining to 74 and closing at 76½ against 76 yesterday, the first incomes selling at 90@91½ against 91, the last previous sale. New-York Elevated firsts were steady at 111¼, the Metropolitan firsts rising ¾ per cent to 101. Lake Erie and Western firsts sold at 98¼ and the incomes at 62@63. Peoria, Decatur and Evansville firsts at 96, and Ohio Central incomes at 51. Oregon Railroad and Navigation firsts were firm at 93@93¼, and Chicago, St. Louis and New-Orleans incomes were sold at 77. The Wabashes were fairly steady: T. and W. seconds at 104½ and convertibles at 99½@100¼, and Great Western seconds at 104@104¼. Denver and Rio Grande firsts declined 1 per cent to 93¾, Kansas Pacific consols ½ to 95, Texas and Pacific incomes rising from 65 to 66½. The other issues were dealt in only to insignificant amounts and without any important changes as to prices.

The Sub-Treasury to-day gained $544,338 on balance, made up by gains of $25,728 currency and $518,610 coin. This made the total gain since last Friday $1,063,720. Money was in active demand, and the bulk of the early loans was made at 6 per cent; later a commission of 1-32@1/16 per day was added to the legal rate, and still later 6 per cent again was the rate, and after all wants were supplied money was offered at 4 per cent. The changes in the domestic exchanges are as follows: Chicago declined from 75 cents to 60 cents premium, and Boston declined from 33½ to 50 cents discount. The remittances of funds to the interior still exceed the receipts.

The United States Treasurer at Washington to-day received $240,000 in National bank notes for redemption. The customs receipts were $450,000, and the internal revenue receipts were $165,000. The following is the Clearing House statement for to-day: Exchanges, $118,764,197; balances, $4,356,830. The transactions at the Clearing House covered: Receipts, $1,189,393; payments, $645,055; currency balance, $6,747,720; coin balance, $102,660,392.
