WEDNESDAY, April 14—P. M.

If there were any persons who supposed that the rally in the Stock Market which occurred yesterday afternoon was the precursor of another great "boom" in prices, to-day's market undeceived them. While dulness was the prevailing feature, there was also a gradual sinking of prices which was the most marked in the closing hour. The total business amounted only to 262,503 shares, against 372,929 shares yesterday and 391,770 shares Monday. Immediately after the opening of business prices generally presented a firm appearance, but a small demand, with moderate offerings to meet the market, soon changed the whole tone.

The principal business was done in Erie, Missouri, Kansas and Texas, Delaware, Lackawanna and Western, New-Jersey Central, Pacific Mail, Wabash, Iron Mountain, and St. Paul. All of these stocks closed at or within ⅛ per cent of their lowest prices. New-York Central at first was pretty steady at 131¾@132, but later it declined to 130¾@130⅞. Lake Shore sold at 108¼@107½, Canada Southern at 60¼@59½, and Northwest at 95¼@94½. Nashville, Chattanooga and St. Louis with sales of only 5,460 shares—quarter stock—declined from 77 to 60½, and after a rally to 73½ closed at 72. Western Union was inactive, although it first rose ⅝ per cent to 105⅝; the later decline to 104½ was slow and easy. The market closed weak.

The final changes from the closing prices yesterday are as follows: Declines—Delaware, Lackawanna and Western, Lake Shore, Missouri, Kansas and Texas, New-York, Lake Erie and Western, Oregon Railroad and Navigation, Fort Wayne and Wabash, St. Louis and Pacific, common and preferred, each ¼; Illinois Central, Erie preferred and Ohio and Mississippi, each ⅜; Burlington, Cedar Rapids and Northern, Canada Southern, Chicago, St. Paul and Minneapolis, Louisville and Nashville, Michigan Central and St. Louis and San Francisco preferred, each ½; Delaware, and Hudson, Western Union Telegraph and Pacific Mail, each ⅝; Lake Erie and Western, ¾; Chicago and Alton and Northwestern, each 1; St. Paul and Central and Hudson, each 1⅛; New-Jersey Central, 1¼; Metropolitan Elevated, 1½; St. Louis and San Francisco, 2; St. Louis and Iron Mountain, 2⅛; and Nashville, Chattanooga and St. Louis, 4¾ per cent. Advances—Northwestern preferred, ⅛; C., C. and I. C., Hannibal and St. Joseph preferred, Manhattan Elevated and Atlantic and Pacific Telegraph, each ¼; Ontario and Western, ½; Central Pacific and Northern Pacific, each ⅝; Northern Pacific preferred and Union Pacific, each ¾; Ohio and Mississippi preferred and Wells, Fargo & Co., each 1; Houston and Texas, 1¼; St. Paul and Sioux City preferred, 1¾; and Rock Island, 4 per cent.

State bonds were as dull as usual, the total business covering only $4,000 Louisiana consols at 81¼, and $1,000 Missouri 6s of 1886 at 106½.

There was more than usual doing in city bank shares, and the business included Commerce (32) at 142, Metropolitan (9) at 150, Merchants' Exchange (20) at 95, and Mercantile (10) at 100.

The dealings in railroad bonds exhibited no little irregularity, but were very well distributed, covering fifty-eight different varieties. The principal features were the rise and fall in the Erie and Missouri, Kansas and Texas issues. Erie second consols rose from 91 to 91½, and fell to 90⅞@91¼, and the funded 5s sold at 85, against 84½ yesterday. Missouri, Kansas and Texas first consols were ⅜ higher at 100⅝, and the seconds advanced from 62 to 63, later declining to 61⅜@61⅞. Boston, Hartford and Erie firsts rose ⅜ per cent to 56½, and Rome, Watertown and Ogdensburg firsts 1½ per cent to 65½@65. C. C., and I. C. incomes declined to 36½. St. Louis and Iron Mountain second incomes after an advance of ½ per cent to 77 fell to 76. The elevated railroad firsts were higher, New-York at 111⅞, and Metropolitan at 101⅞@101½. Wabash issues were easier, Toledo and Wabash seconds at 104@104⅛, and convertibles at 160, and Great Western seconds at 104@104¼. Denver and Rio Grande firsts recovered ¾ per cent to 104½, and Central and Union Pacific firsts were strong at 112½ and 112 respectively.

The Sub-Treasury so-day gained $399,910 on balance made up of a coin gain of $400,254, less a currency loss of $10,344. This makes the total gain since Friday $1,403,630. Money was in sharp demand all day, and the rates were from 6 per cent to 10 per cent plus ½ per cent commission. The demand continued until after board hours, and this despite the fact that the Sub-Treasury to-day paid $1,450,000 of the $1,500,000 bonds it purchased. The domestic exchanges on New-York are unchanged from yesterday's quotations.

The United States Treasurer at Washington to-day received $140,000 in National bank notes for redemption. The customs receipts were $810,000, and the internal revenue receipts were $360,000. The following is the Clearing House statement for to-day: Exchanges, $168,111,624; balances, $5,214,824. The transactions at the Clearing House covered: Receipts, $1,087,296; payments, $687,386; currency balance, $5,737,377; coin balance, $103,070,646.

The foreign exchange markets are dull, but rates are steady on the basis of the following quotations:
