THURSDAY, April 15—P. M.

The stock market continues to be depressed. To-day the reactions, although as frequent as before, were less important than usual. The business amounted to 328,819 shares, against 262,563 shares yesterday. Erie, St. Paul, Delaware, Lackawanna and Western, Missouri, Kansas and Texas, Ohio and Mississippi, Iron Mountain, and New-Jersey Central contributed 180,100 shares to the total. While the declines were general (the advances including only six stocks, most of which belong to the inactive list), the particularly weak stocks were St. Paul, Iron Mountain, Hannibal and St. Joseph, Union Pacific, Houston and Texas, and Ohio and Mississippi. Erie fell from 43⅜ to 42⅛@42¼, Lake Shore from 107½ to 106¼@106⅜, Michigan Central from 91½ to 90½@90⅞, and Central and Hudson from 130⅞@131¼ to 130¼@130½. Western Union, with a small amount of business, fluctuated between 104 and 105, closing at 104⅝, and Pacific Mail yielded from 39⅝ to 38¼. The coal stocks were moderately steady during the early business, but finally also gave way and closed at their lowest figures.

There were no rumors afloat to affect the market, and so far as it was affected by the monetary stringency, it may be said that the best rally of the day occurred when money was commanding its highest rate. The market seems to be sinking from its own weight and because of a lack of that support which it has enjoyed for the last year. And there are no indications yet that that support is likely to be given again until lower figures are reached, any further than it is necessary to prevent a too rapid decline. The market closed weak at about the lowest prices.

The final changes from the closing prices yesterday are as follows: Declines—Delaware and Hudson, St. Paul and Sioux City preferred, and Adams Express, each ½; Central and Hudson, ⅜; Canada Southern, Metropolitan Elevated, Northern Pacific preferred, St. Paul and Sioux City, Wabash pref. ferred, and Atlantic and Pacific Telegraph, each ½; Chesapeake and Ohio, ¾; Chicago, St. Louis and New-Orleans, Northwest, St. Paul preferred, Delaware, Lackawanna and Western, Lake Erie and Western, Manhattan Elevated, New-York Elevated, Ohio and Mississippi preferred, and Wabash, each 1; Lake Shore, Erie, and Northern Pacific, each 1⅛; Mobile and Ohio, Missouri, Kansas and Texas, and Reading, each 1¼; Pacific Mail, 1⅜; Boston Air Line, Chicago, Burlington and Quincy, Northwest preferred, and New-Jersey Central, each 1½; Illinois Central, 1⅝; Ohio and Mississippi and St. Louis and San Francisco preferred, each 1⅞; Central Pacific, C., C., C. and I., Rock Island, Chicago and Alton, Houston and Texas, Union Pacific, and Wells, Fargo & Co., each 2; Hannibal and St. Joseph, 2⅛; St. Paul, 2½; Iron Mountain, 2¾; and Hannibal and St. Joseph, 2⅞ per cent. Advances—Western Union, ⅛; Chicago, St. Paul and Minneapolis, ¼; Louisville and Nashville, Ontario and Western, and Nashville, Chattanooga and St. Louis, each 1; and St. Louis and San Francisco, 1½ per cent.

Erie second consols after some hesitation fell 1 per cent to 90¼, the funded 5s closing at 84½ against 85 yesterday. Missouri, Kansas and Texas first consols were 1⅛ lower at 99½, and the seconds 2 per cent lower at 59⅞. The C., C. and I. C. issues were better upon an unconfirmed report that there is a probability of a settlement of the litigation between this company and the Pennsylvania Company, and the first assented bonds rose 1 per cent to 82½, and the incomes advanced from 36½ to 38@37 upon the absurd rumor that the company is earning sufficient to pay the interest upon them. Rome, Watertown and Ogdensburg firsts advanced 2 per cent to 67, but later declined to 64¼. St. Louis and Iron Mountain second incomes fell 1 per cent to 75, and Canada Southern firsts at 90 were ¾ per cent lower than yesterday. The remainder of the dealings was insignificant and with no material change in prices. The following are the closing quotations:

The Sub-Treasury to-day lost $359,635 on balance, made up by a coin loss of $431,705, less a currency gain of $72,070. This reduces the gain since last Friday to $1,103,995. Money again was in active demand, and it is probable that the bulk of the new loans was made at 6 and 1/16. The highest rate paid was 6 and ½; at the very close loans were made at 6 per cent. The ruling rate on Government bonds is 6 per cent. There are no changes in the domestic exchanges from last quotations.
