There were few cattle on the Lexington market Monday, the ruling prices being 4 to 4½c for fat cattle and 3½ to 3.63¾ for feeders. Many mules changed hands at high prices. Mature mules sold from $215 to $400 per pair. Sucklings brought from $40 to $60.

That farm lands in the vicinity of Lexington are steadily increasing in value was again shown when the farm of Richard T. Downing, 1½ miles from the city limits, on the Georgetown pike, was sold at public auction for $222 says the Lexington Leader. The purchaser was John N. Fisher. The farm consists of 157.23 acres, with a 12-room colonial brick residence situated on it.

The Next Legislature.

The next session of the General Assembly will begin on January 2, 1906, which is sooner than it has happened since the adoption of the present constitution. The law provides that the General Assembly shall meet on Tuesday after the first Monday in January.

The candidates for Speaker of the House will be Henry R. Lawrence, of Trigg; Thomas Drewery, of Louisville, and R. W. Miller, of Madison. Nobody has yet announced against Jas. E. Stone for chief clerk. There will be the usual quota of candidates for the minor offices.

In the Senate Hon. George W. Hickman, of McLean, is the only announced candidate for President pro tempore of the Senate. William Cromwell, Frankfort, is the only announced candidate for clerk of the Senate.

A Disastrous Calamity.

It is a disastrous calamity, when you lose your health, because indigestion and constipation have sapped it away. Prompt relief can be had in Dr. King's New Life Pills. They build up your digestive organs, and cure headache, dizziness, colic, constipation, etc. Guaranteed at G. L. Penny's, Stanford, Lyne Bros., Crab Orchard; 25c.

The professor was examining a dark brown substance spread on paper, when he was interrupted by a visit from a friend.

"I say, would you kindly let me place a little bit of this on your tongue?" said the man of learning to the newcomer.

"My taste has become so vitiated by sampling all sorts of things."

The professor took up a little of the substance under analysis and placed it on the other's tongue. The latter worked it round for fully a minute, tasting it much as he would a sweet.

"Note any effect? inquired the professor.

"No; none."

"It doesn't paralyze or prick your tongue?"

"Not that I can detect."

"I thought not. How does it taste?"

"Very bitter."

"Um-m; all right,"

"What is it? inquired the friend.

"I don't know. That's what I'm trying to find out. Some one has been poisoning horses with it."—Tit-Bits.

Herb W. Edwards Injured.

Herb W. Edwards of Des Moines, Iowa, got a fall on an icy walk last winter, spraining his wrist and bruising his knees. "The next day," he says, "they were so sore and stiff I was afraid I would have to stay in bed, but I rubbed them well with Chamberlain's Pain Balm and after a few applications all soreness had disappeared. I feel that this bottle of Pain Balm saved me several days' time, to say nothing of the suffering." This liniment is for sale by all druggists.

This is a world of strife and sin,
Although each voter does his best,
We put our little ballot in;
The man who counts 'em does the rest.

"I Thank The Lord!"

cried Hannah Plant, of Little Rock, Ark., "for the relief I got from Bucklen's Arnica Salve. It cured my fearful running sores, which nothing else would heal, and from which I had suffered for 5 years." It is a marvelous healer for cuts, burns and wounds. Guaranteed at G. L. Penny's Stanford, Lyne Bros., Crab Orchard; 25c

No. 75, 150,000 acres of cotton land in Mississippi. There is no section of country which offers so many opportunities for profitable investment as the Mississippi Delta which is now fitly described as "Prosperity Valley." The timber is becoming more valuable all the time for the reason that lumber people from the North (where the supply of timber is fast diminishing, are constantly increasing their purchases of timber lands in the South. When the timber is removed the land is unequaled for agricultural purposes. It will produce a bale of cotton to the acre or will grow any other kind of crop raised in the temperate zone. The soil needs no fertilizers and gives a yield which cannot be excelled; taxes are low, the title is perfect and the man who buys Delta farm and timber lands at present prices is making an investment that he will never regret. This land is divided into tracts ranging from 40 acres to the tract to 10,000 acres to the tract and prices from $8 per acre to $16 per acre, according to location, etc. We are authorized by the company who owns these lands to state that as other parties are considering the purchase of these lands that we offer these tracts subject to prior sale, withdrawal from market or change in price without notice. However, when notified, they will hold any tract out of market long enough for the purchaser to make an investigation. About 10,000 acres of this land has been sold by the Company since we received this option. For further particulars call at our office.
