Failed the Match Scraper.

The new boarder stepped into the room and closed the door. The landlady stood in the hall until she heard him exclaim, "Hang it all!" Then she chuckled softly and went downstairs.

"Saved, and by vaseline," she said. "My detective instinct told me that that man is the kind that scratches matches on the woodwork. Many a door jam and mantelpiece in the vicinity of the gas jets has been scratched past redemption by match fiends who had no respect for the furniture. But I have got the best of them. I simply smear with vaseline the woodwork that is convenient for scratching matches; then the matches won't light. The man doesn't know why, but he never tries it again."—New York Sun.

Diarrhoea should be cured without loss of time and by a medicine which like Chamberlain's Colic Cholera and Diarrhoea Remedy not only cures pomptly but produces no unpleasant after effects. It never fails and is pleasant and safe to take. Sold by G. L. Penny.

ISN'T HE MEAN!

Bisley—Aren't you afraid to face home after forgetting your wife's package?

Littleton—Not at all; the minute I reach the house I'll start praising the biscuits I had for breakfast.

LIKES OUR MEDICINE.

(Danville Advocate.)

The authorities of Stanford are making life miserable for the vagrants of that city. Charles Baughman, one of the colored loafers of that city, was this week given a heavy fine for his aversity to work. Judge Menefee recently resorted to the whipping post as a means of administering justice with great beneficial results. Idleness is the first stepping stone to crime, and all cities should follow the example of Stanford and dissolve the order of the "Sons of Rest."

Your tongue is coated.
Your breath is foul.
Headaches come and go.
These symptoms show that your stomach is the trouble. To remove the cause is the first thing, and Chamberlain's stomach and Liver Tablets will do that. Easy to take and most effective. Sold by G. L. Penny.

Baking a Souffle.

A souffle should never be put into a very hot oven. It crusts over on top before it has time to bake properly inside, and it is likely to fall as soon as it comes from the oven. Bake it in a moderate temperature and do not bake it too fast.

Solves Problem of Rheumatism

New Remedy Produces Startling Results With Every Form and Condition of Rheumatism.

Has Features Unknown Heretofore in Any Rheumatism Treatment.

"I can actually feel the rheumatism being driven out of my body," is the frequent statement made by rheumatism sufferers who have experienced the unique, delightful effects of the remarkable remedy D-M-F.

After 30 years of exhaustive tests, during which it has cured permanently in a few weeks terrific chronic cases

of rheumatism as easily as fresh, new cases, D-M-F seems now destined to take the place of every other treatment known for rheumatism, lumbago, gout and neuralgia.

D-M-F has the unique feature of producing certain symptoms which demonstrate to the sufferer that the uric acid deposits are being surely eliminated.

D-M-F is absolutely free from opiates or dangerous drugs, another welcome feature. Furthermore, it is guaranteed absolutely as to results.

John C. Briar, of Rochester, N. Y., says: "D-M-F did wonders for me. Inside of 30 days I was cured of a four-year rheumatism." Rev. J. J. Rogers, of Warsaw, N. Y., says: "D-M-F is a wonderful remedy. It cured me in a few weeks of rheumatism I had for five years."

Buy a bottle today and be convinced of its remarkable effects. Full explanation of D-M-F's unique, safe and powerful action is given in every carton.

Get D-M-F at your druggist's at $1.00 a bottle. If you are satisfied with it, as you will be, get 5 bottles for $5.00, and get rid of your affliction. If your druggist can not supply you, it will be sent on receipt of price by the D-M-F Medicine Co., 2715 Lincoln Ave., Chicago, Ill. The first bottle will convince every sufferer.

IT'S RISKY.

to keep a home of your own without **having a fire insurance policy to cover possible loss to your property.** It is as necessary as life insurance, but far **cheaper. Delays in taking out a policy are dangerous.** Fire is likely **to break out at any time, even with the best precautions. We can issue a policy in a good company cheaply.**
