What Lexington Thinks.

Bad business through the south, and a consequent cancelling of dates south of the Ohio river, has interfered with the success of the management of the Kentucky in booking high-class attractions. Many attractions that season after season have toured the south, cut out that territory this year, and companies carrying choruses are giving it a wide berth. In view of this fact, Paducah patrons should not lose the opportunity to witness a really meritorious attraction, when it is offered. Among the strongest casts that will be presented here during the season is that of "The Traveling Salesman," headed by Frank McIntyre, who originated the title role, and Gertrude Coghlan, daughter of Charles Coghlan, author of "The Royal Box" and prominent player. Miss Coghlan originated the role of Beth in "The Traveling Salesman," and the balance of the company, including James O'Neill, Jr., son of the famous star of "The Count of Monte Cristo," were in "The Traveling Salesman" when it was produced in New York.

During the last three weeks the company has played at Louisville, Terre Haute and Evansville, Ind., and Lexington, Ky. At each place the entire company made a hit and Mr. McIntyre was compelled to make a speech at the close of the show. The company will play Nashville tonight and Monday The Evening Sun will reproduce the opinion of the Nashville papers on the performance.

The Lexington Leader said:

"Sparkling with wit and infectious in humor "The Traveling Salesman" spent one night at the opera house Thursday. He was greeted by a large audience and he rewarded his hearers by his clever sayings and happy ways. In fact "The Traveling Salesman" was a real comedy; light, airy, but withal amusing and those who saw it were satisfied in full measure.

"The 'Salesman' is one of those happy 'Knights of the Road' who is used 'o facing hard situations with a smile and who could almost melt an iron man with his hearty laugh. As played by Frank McIntyre he was almost perfect. Mrs. Baffet as portrayed by Sarah McNicker, H. D. Blakemore as the colored porter, Julius and Gertrude Coghlan as Beth Elliott were almost as good."

The Yankee Doodle Stock company closes its engagement at the Kentucky with a double bill interspersed with vaudeville, tonight.

Tuesday the Lewis Stock company, a repertoire organization with a big band and orchestra, playing popular plays at popular prices, will begin a week's engagement. This company travels in its own car and is one of the strongest of its kind on the road.

The Shubert Masonic theater at Louisville offers Harry Bulger in one of the greatest successes of his career the fore part of next week. "The Flirting Princess" is the vehicle and the music is bright and catchy, while the lines are said to be quite good. The play had a run of one year in Chicago, where it made quite a hit. Eddie Foy, with his big production of "Up and Down Broadway," comes the 8th, 9th and 10th. Over a dozen song writers contributed to the score of the piece and of course it is a success. Eddie Foy is assisted by Emma Carus, and the company numbers a hundred people.

Worms

"Cascarets are certainly fine. I gave a friend one when the doctor was treating him for cancer of the stomach. The next morning he passed four pieces of a tape worm. He then got a box and in three days he passed a tape-worm 45 feet long. It was Mr. Matt Freck, of Millersburg, Dauphin Co., Pa. I am quite a worker for Cascarets. I use them myself and find them beneficial for most any disease caused by impure blood." Chas. E. Condon, Lewiston, Pa., (Mifflin Co.)

FOR MONOPOLY

GIGANTIC MERGER OF PHONE LINES PLANNED.

Morgan's Hand Is Seen in the Legislative Move in Ohio.

Columbus, O., Dec. 3.—Plans for a gigantic telephone and telegraph trust covering the entire United States are declared to be behind the recent move to combine the telephone interests of Ohio, Indiana, Michigan and Eastern New York.

As the first step in this direction the telephone interests are now having a bill drawn which will be presented to the coming state legislature permitting consolidation of the Bell company, the Morgan interests and the remaining independent interests of the state. Ohio is the stronghold of the independents, and if the consolidation can be accomplished here the completion of a nation-wide monopoly will be a comparatively easy thing.

This, it is declared, is the real plan that was developed when a conference was held two weeks ago to take steps for the Ohio consolidation. Later conferences were held at New York last week between D. J. Cable, of Lima; Charles A. Otis, of Cleveland, and one other Cleveland telephone man, together with Frank Davis, head of the Morgan telephone interests in Ohio, and Frank Bean, president of the Ohio Independent Telephone association. At these meetings all arrangements are declared to have been perfected for a state consolidation if a law permitting such an action can be passed at the coming legislature.

This bill is now being drawn. It will make whatever concessions the Ohio people may demand for its passage, in order to make possible the furtherance of the gigantic trust in other territory. Morgan is declared to be the prime mover back of the proposed consolidation.

Baltimore, Dec. 3.—That the dream of many Methodists to see all followers of John Wesley united unto one body world soon be realized was the opinion expressed today by the Rev. L. M. A Simple Safeguard for Mothers.

Mrs. D. Gilkeson, 326 Ingles ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using one bottle her throat and lungs were entirely free from inflammation. Since then I always keep a bottle of Foley's Honey and Tar in the house. Accept no substitutes. Gilbert's drug store.

FATE OF MONTGOMERY.

Avoided by Two Historic Ante-Bellum Governors.

It will not be improper at this time when the governor of North Carolina and the governor of South Carolina are meeting in a sister state to tell the real history of what was said at that famous historic meeting so often referred to. It has been the legend that the governor of North Carolina said to the governor of South Carolina, 'It is a long time between drinks," but according to the facts as told by an eye-witness to that famous meeting, no such words were used. This faithful chronicler says that the governor of North Carolina said to the governor of South Carolina, "Remember the fate of Montgomery."

"Well, who in the thunder was Montgomery?" asked the governor of South Carolina.

"He is the man who died between drinks," replied the governor of North Carolina.—Exchange.

ANNOUNCEMENT!

We Have Taken the Exclusive Agency for the World Famous Guaranteed Shoes

From now on the men of this town will have an opportunity to buy *guaranteed* shoes. *We* have made it possible by taking the agency for Desnoyers "Six Months" Shoes—the *first* and *only* shoes ever sold under a written guaranty.

The Only Guaranteed Shoes on Earth

Never before has it been possible to buy guaranteed shoes, because never before have guaranteed shoes been made. Heretofore it has been absolutely impossible for manufacturers to make a shoe *good enough* to guarantee. Their enormous selling expense prevented it. High salaried traveling men, big hotel bills, etc., cost shoe manufacturers over *Five Million Dollars a year.*

But the Desnoyers Shoe Co. did away with traveling men and their big expenses. They sell direct to dealers by letter, and put the thousands of dollars saved into better leather and other materials. Thus they can *afford* to make a shoe that's far superior to others and *good enough to guarantee.*

$4.00 FOR MEN Dress, Business or Work Shoes

Desnoyers "Six Months" Shoes

GUARANTEED TO GIVE FULL SIX MONTHS' WEAR

These shoes will be a revelation to the people of this town. They are marvels of beauty, style and shape. Never before have you seen such leather and such wearing qualities.

Here's the Guarantee

If either the soles or uppers wear out within four months we agree to furnish a new pair of shoes entirely free of charge. If either the soles or uppers wear out during the fifth month we agree to refund $2.00 in cash. If either the soles or uppers wear out during the sixth month we agree to refund $1.00 in cash. In other words, if these shoes should not give full six months' wear we refund more than the proportion they fall short.

Best Leather in the World

The manufacturers of the "Six Months" Shoes send way to Switzerland and France for the hides from which they make these shoes.

The Swissox Soles are tanned from Switzerland hides, which are the toughest and finest hides for sole leather produced anywhere in the world, owing to Switzerland's high altitude and the extreme care with which the Swiss stock is raised. It is protected from all weather conditions and kept clean and healthy.

The Paris Veal hides used for the uppers in "Six Months" Shoes are extremely tough, yet closer fibred, softer and more flexible than the hides grown in this country.

The cost of importing these foreign hides makes it absolutely impossible to use them in moderate-priced shoes selling under the old system.

Flexible and Waterproof

Not being satisfied with merely the best sole leather in the world, the makers of "Six Months" Shoes tan all their sole leather by a secret process which makes it remarkably flexible and entirely waterproof.

Best Looking and Best Wearing Shoes Made

"Six Months" Shoes are wonderful in appearance as well as in wearing qualities. They combine style, finish and quality in a degree never before equaled in a shoe selling at anywhere near the same price.

A Quality Shoe Clear Through

"Six Months" Shoes are made with sole leather box toes to give extra strength at the tip. Army duck lining is used, which costs twice as much as ordinary lining, but it is the strongest and smoothest lining made.

The uppers are stitched together by lock-stitch machines using the very highest grade silk thread. Nothing but the best Irish Linen thread is used in sewing the soles. These methods all cost more, but they make the shoes last much longer.

We "Make Good" the Guarantee

You don't have to send your shoes to the factory to be redeemed or to secure the refund. *We* make good the guaranty and the manufacturer pays us. You have no dealings whatever with strangers.

You don't risk one cent when you buy "Six Months" Shoes. You *know* you will have six months' wear for your $4.00 or the equivalent of that in dollars and cents.

A STYLE FOR EVERY PURPOSE Desnoyers "Six Months" Shoes are made in the very latest styles for every purpose. There are work shoes, business shoes and dress shoes. And the best styles of each to choose from. You *can't lose* on a pair, so why hesitate? Call *now* while our stock is complete.

Giving It Away.

"A woman just can't keep a secret," he declared, opposing a statement. "Oh I don't know," contracted the flutterfly lady. "I've kept my age a secret ever since I was twenty-four." "Yes," he replied, "but one of these days you will give it away. In time you will just simply have to tell it." "Well," she replied, with confidence, "I think that when a woman has kept a secret for twenty years she comes pretty near knowing how to keep it.'—Philadelphia Public Ledger.
