FOR PERJURY.

FARMER OF THE COUNTY TO BE WARRANTED FOR FALSE SWEARING.

County Attorney Eugene Graves this morning secured a warrant against Elvis York, of the Massac section of the county, on a charge of perjury.

York recently had Levy Wren, son of the county surveyor, arrested for cruelly beating a hog owned by York. The latter is alleged to have sworn that the hog was so badly beaten that a gate had to be opened to let it in, it being unable to get through a crack it was accustomed to go through.

Attorney Graves says that he now has evidence that the hog was not badly beaten at all, and that it went through the aforesaid hole as usual, all of which is to the detrimetu of the said York. Young Wren was fined $10 and costs for the alleged offense of beating the animal, in Justice Bryan's court.

A LITTLE ARITHMETIC

1st —On January 1st Mrs. Jones buys her boy a $2 suit at a "cheap store," as she calls it.

2nd —On February 5th she finds the suit about worn out, and buys another at the cheap? store for $1.50.

3rd —On March 1st she is compelled to buy still another, and she expends $2.50 this time, at the cheap? store.

4th —On May 1st she finds the last suit worn out and she brings her boy here and buys him a suit which we guarantee to wear at least six months. She pays $3, now how much would Mrs. Jones have saved had she bought of us in the first place? If the sum is worth saving, buy your boys' clothing here.
