NERVOUS DAY IN THE GRAIN MARKET

Reaction Sets in as Result of Demoralizing Developments.

Chicago, Nov. 8.—Prospects that the government crop report this afternoon would show a larger yield of corn than was indicated a month ago tended today to weaken the corn market. Opening quotations, which ranged from the same as yesterday's finish to ½c lower, with December $1.18¾ and May $1.12¾ to $1.14, were followed by a material setback all around.

Subsequently the New York stock market weakness associated with Kerensky's overthrow and with Russian peace talk brought about much increased selling of corn and led to decided additional downturns in prices here. The close was nervous, 1¾c to 2¼c net lower, with December $1.16⅝ and May $1.12 to $1.12⅛.

Oats eased off with corn.

Packers' buying gave a sharp lift to provisions, especially pork. Offerings were scarce.

The quotations:

METAL PRICES.

New York, Nov. 8.—The metal exchange quotes tin strong, 70.00 bid.

Lead, steady; spot, 6.25 and 6.75.

Spelter, dull; East St. Louis delivery, spot, 7.62 asked.

SHE WAS SHOPPING.

A lady had been sitting in a furniture shop for nearly two hours inspecting the stock of linoleums. Roll after roll the perspiring assistant brought out, but still she seemed dissatisfied. From her dress he judged her to be a person of wealth, and thought it likely that she would have a good order to give. When at last he had shown her the last roll he paused in despair.

"I'm very sorry, madam," he said, apologetically, "but if you could wait I could get some more pieces from the factory. Can you call again?"

The prospective customer gathered her belongings together and rose from the chair.

"Yes, do," she said, with a gracious smile, "and ask them to send you some with very small designs, suitable for putting in the bottom of a canary's cage."

UPHEAVAL IN STOCK MARKET

Latest Russian Crisis Brings New Decline in Security Values.

New York, Nov. 8.—The latest Russian crisis was mainly responsible for today's violent upheaval in which representative shares made extreme declines of 3 to 8 points. Sales approximated 1,200,000 shares.

Shipping stocks rose briskly in today's early dealing. Marine preferred soon gaining 3½ points, the common 2 and Atlantic Gulf 1½. Equipments also were favored, Bethlehem Steel advancing 1½, American Can 2, and others large fractions to a point. United States Steel opened at a slight loss, but immediately rallied over a point. Rails were irregular, Reading's loss of 1¼ being offset by gains in Pacifics and New York Central. Coppers and specialties averaged 1 to 2 point advances. Brooklyn Transit fell a point to the new low of 46⅝.

A sweeping reversal took place before the end of the first hour, beginning with local utilities. Brooklyn Transit extended its decline to 5½ points, Consolidated Gas lost 5⅝, and Interborough preferred 2¾, all establishing low records. American Telephone and Western Union also made new minimums for the current movement at recessions of 5 and 2 points respectively. Selling became more general later on disturbing advices from Russia, rails reacting 2 to 5 points with shippings, steels, motors and other industrials. Italian exchange was extremely weak. Liberty 4s were steady at par, the 3½s selling at 99.52 to 99.46.

Further serious impairment of values occurred in the early afternoon. Steel made a new minimum for the year at 88⅞ and other prominent shares were 2 to 4 points under lowest prices of the morning.

Rallies of 2 to 4 points followed the more severe decline of the mid-session. The close was weak. Liberty 4s were firm at par, but the 3½s sold from 99.52 down to the new low record of 99.36.
