State bonds were dull, as usual, but there were sales of Louisiana consols at 46⅝. Georgia 7s, new, at 110½, and Alabamas, Class A, at 60. There were no transactions in city bank stocks. Quotations are steady.

Railroad bonds were as dull as was the share market, but prices generally were steady. Erie second consols, at 88¾, were ¼ lower than yesterday. Missouri, Kansas and Texas first consols were unchanged at 105, and the seconds, after an advance to 65⅞, closed at 65½, the same as last evening. Boston, Hartford and Erie firsts, after selling up to 42¼, closed at 41¾—a decline of ¼ per cent. Lehigh and Wilkesbarre consols sold at 95½ against 94¾, the last previous sale. Oregon Railroad and Navigation firsts declined ⅞ per cent to 97, St. Louis, Kansas City and Northern firsts, Omaha Division, rising ¾ to 110¾. Burlington, Cedar Rapids and Northern 5s were ½ lower at 91. Union Pacific firsts were notably strong, with an advance to 113. The prices of other issues were not materially changed.

The Sub-Treasury to-day lost $120,214 on balance, made up by losses of $46,156 currency and $74,058 coin. This makes the total loss since last Friday $2,066,223. The turn of the money market was toward less easy, not that the offerings at 2@2½ per cent were not abundant, but that there was a smaller amount that was not taken than there was yesterday. The change of the day in the domestic exchanges on New-York was at Chicago—a decline to 25 cents discount. The United States Treasurer at Washington to-day received $280,000 in National bank notes for redemption. The customs receipts were $680,000, and the internal revenue receipts $190,000. The following is the Clearing House statement to-day: Exchanges, $83,038,000; balances, $5,576,832. The transactions at the Sub-Treasury covered: Receipts, $1,246,091; payments, $1,366,304; currency balance, $6,889,711; coin balance, $84,452,397.

The foreign exchanges are quiet and rates are steady, with a rather firmer feeling. Annexed are the closing quotations:

LIVE STOCK MARKET.

NEW-YORK, July 7.—BEEVES—Receipts yesterday and to-day were 335 cars of 5,212 head—190 cars at 60th-st., and 145 at Jersey City, and about 22 car-loads of Cattle were held back at Philadelphia. The market at 60th-st. was not quite as active as on Monday, but trade was fair, and the offerings were all disposed of at about steady prices. There was a much better feeling at Jersey City, and the market was moderately active and firmer. Buyers were all looking for Light Cattle, and the limited number offering found ready sale at the advance. A medium grade of Steers was also in demand, and sold about $1 per head higher than on Monday. Mr. Goldsmith wanted a number of Prime Steers for export, and paid about previous prices for them; had it not been for this demand good Cattle must certainly have been easier. Texas and Cherokee Cattle show a greater improvement than any other grade, and the 5 car-loads on sale were wanted at 7@7¾c. to dress 56 lb. A large number of heavy Colorado and Montana Cattle were sold at 9@9½c. to dress 56 lb. A carload of Light Grass Tennessee Cattle at 6¾@7c. to dress 55 lb, and some Light Native Stillers at 9¼@9c. to dress 55@56 lb. Quite of the best of the Steers that has been received here this season were sold by Mr. C. Kahn this morning. There were 19 car-loads in the lot, out of which Mr. Kahn received 218 head for export alive. They were fed at the Hamilton Distillery, Ohio, by Messrs. Caldwell & Co. There were also a large number of fine Corn-fed Cattle among the offerings, notably 10 car-loads of Choice Iowa Steers shipped here by Danforth & Reed, and a 7 car-lot of extra Missouri Steers belonging to Mr. J. Ford. The bulk of the sales of Native Cattle were from 88c. to dress 55 lb. to 10c. to dress 56 lb. Mr. Eastman reserved all of his 55 car-loads of Cattle for export. Mr. Goldsmith reserved 163 head and purchased 498 head (part of each yard), and Mr. C. Kahn reserved 218 head, all for export alive. No steamers to sail to day with either Live Cattle or Dressed Beef.
