BEEVES—Receipts yesterday and to-day were 189 carloads at Jersey City and 138 cars at 60th-st, making 5,187 head, against 6,327 head last Monday. The arrivals the past week were 2,205 head less than last week, and 535 head more than the corresponding week last year. The large receipts of live stock during the week were: T. C. Eastman, 1,350 head; I. Wetzer, 1,331 head; Morris & Siegel, 1,034 head; H. Meyer, 730 head; M. Goldsmith, 602 head; T. M. Duche & Son, 648 head; S. W. Allerton, 599 head; F. Joseph, 513 head; Meyer & Regenstein, 450 head; Levy & May, 386 head.

The exports for the week were as follows: By T. C. Eastman, 1,350 Live Cattle and 1,451 Live Sheep; Goldsmith & Waixel, 829 Live Cattle and 200 Live Sheep; T. M. Duche & Son, 779 Live Cattle; C. Toffey & Co., 532 quarters of Beef; A. E. Outerbridge & Co., 30 Live Sheep; Jones & Lough, 15 Live Sheep—making a total of 3,884 Live Cattle, 5,504 quarters of Beef, 1,796 Live Sheep, 914 carcasses of Mutton and 200 Dressed Hogs against 3,467 Live Cattle, 5,660 quarters of Beef, 1,405 Live Sheep, 1,085 carcasses of Mutton and 115 Dressed Hogs last week. Nineteen steamers loaded with Live Cattle and Live Sheep, and six steamers loaded with Dressed Beef, Mutton and Hogs sailed from this port last week, which shows the largest shipments ever made in a single week.

From Wednesday until the close on Friday there were very few changes in the market, but for the slight advance obtained on Friday prices would have been quoted steady. The supply of cattle to-day was fair, but exporters and home trade butchers were operating freely and trade was moderately active at both stock yards. At 60th-st. the offerings were barely sufficient to meet the demand, and sellers had decidedly the advantage. Light and medium Butchers' steers sold quickly at 5c. advance, and even heavy, coarse cattle were $1 per head higher than on Friday. The main prop to the Jersey City market was the demand for nearly 600 Good to Prime Steers for export; the steamers are to sail to-morrow and shippers were compelled to purchase the cattle to-day. Still there was nothing in this to cause any excitement, for the receipts amounted to 3,038 head, and butchers found that to move Good stock, supply so heavy, coarse cattle were dear. But the market was fairly brisk throughout, and the most encouraging feature was the fact that at no time in the day was it necessary to shade the opening price, and the finish was fully as good as the opening. Buyers were inclined to quote prices some considerably stronger than on Friday, but considering the very much better quality of the cattle and the demand, there was not much difference between the two markets. Texans were sold at 7½@8c. to dress 55 lb.; Colorados at 8½@9¼c. to dress 56 lb; and Poor to Strictly Choice Native Steers at 8¾@10c. to dress 55@57 lb, with a few selections at 10¼c. to dress 57 lb. About 24 carloads of Fair to Prime Cincinnati Stillers were sold at 9@9¾c. to dress 56 lb. Bulls are about steady; sales of small State Grass Bulls at 2¼c., live weight, and decent to good Corn-fed and Distillery-fed do. at 3¼@3¾c., live weight.

From fresh receipts exporters reserved and purchased upward of 1,600 head, mainly for shipping alive. Steamers to sail to-day and to-morrow are the Longhurst, with about 500 Live Cattle for C. Kahn and Toffey & Gillett; the R. F. Matthews, with 829 Live Cattle for C. Kahn, and the Gloucester, with 90 Live Cattle and a number of Live Sheep for Goldsmith & Waixel. No Dressed Beef shipments.
