UTAH BONDS FOR SALE.

Three Hundred Thousand ($300,000) Dollars of Five (5) Per Cent. Utah Territory Bonds for Sale.

THE UNDERSIGNED, IN PURSUANCE OF the direction of the loan commissioners of the territory of Utah, hereby advertises that bids will be received at his office in the city of Salt Lake, said territory, between 12 o'clock, noon, of June 30, 1890, and 12 o'clock, noon, of July 30, 1890, for the purchase of the bonds hereinafter described namely: Three hundred bonds, each of the denomination of $1,000, of the engraved negotiable coupon bonds of said territory, bearing five per centum interest per annum, payable semi-annually, on on the first days of January and July of each year, at the Deseret National bank in said city, or at such bank in the city of New York, in the state of New York, as may be designated by said loan commissioners, at the option of the purchasers of said bonds.

The principal of said bonds shall be payable in the lawful money of the United States, within twenty years after the date of their issue, but redeemable at the pleasure of the territory after ten years from date. It is provided in the law, that at the expiration of ten years after the issuing of said bonds, there shall be set apart and appropriated out of the general funds in the hands of the territorial treasurer of said territory annually the sum of $30,000, to be placed by the said treasurer in a fund to be known as the "redemption fund," for the redemption of said bonds. And it is also further provided that whenever, after the expiration of ten years from the date of the issuance of said bonds, there is available in said redemption fund the sum of $30,000 or more, it shall be the duty of said treasurer to advertise the amount of money in the said redemption fund and the number of bonds, numbering them in the order of their issue, commencing at the highest number then outstanding, which such fund is set apart to pay and discharge, and the date when they will be paid, and if such bonds so numbered in such advertisement shall not be presented for payment and cancellation at the expiration of the date mentioned in such advertisement, then such fund shall remain in the treasury of the territory to discharge such bond whenever presented for payment, but such bond shall draw no interest after the expiration of the date mentioned in such publication.

In no case will said bonds be sold for less than their face or par value and the accrued interest at the time of their disposal. The bids will be opened and the sales made to the highest bidders at 12 o'clock, noon, July 31, 1890, at my office in Salt Lake city, Utah, but before making any award, security will be required of the successful bidder for compliance with the terms of his bid, and said loan commissioners reserve the right to reject any and all bids.

The bonds offered are to be issued for the building of educational and charitable institutions, for which appropriations have been made by the governor and legislative assembly of said territory, and by authority and in pursuance of an act of the governor and legislative assembly, entitled "An act providing for the issuing and disposing of territorial bonds," approved March 13, 1890. The territory has a bonded debt of one hundred and fifty thousand dollars, and by an act of Congress approved June 30, 1880, is restricted to creating any bonded indebtedness except for charitable and educational institutions, and is limited in its power to create indebtedness for any purpose exceeding 1 per cent. of its taxable valuation as shown by the last assessment of its taxable property for territorial and county purposes. Any indebtedness attempted to be created in excess thereof is declared void. These bonds are exempt by law from taxation for any purpose within the territory.
