SATURDAY, Oct. 9—P. M.

The stock market to-day again was dull, and the total transactions amounted only to 107,000 shares. Fluctuations were small, and in the morning hours downward, but after two o'clock there was a recovery and a little more activity on the closing up of "short" accounts over Sunday. But the best prices were not maintained at the end, and in some instances the closing figures were about the lowest of the day. There were no special features developed, as there hardly could be in a market where the greatest amount of transactions recorded in any one stock did not exceed 9,500 full shares. Whatever there was of activity was divided between New-Jersey Central, Delaware, Lackawanna and Western, Northwest, St. Paul, Erie, Lake Shore, St. Louis, Iron Mountain and Southern and Western Union. Lake Erie and Western was erratic and declined from 31½ to 30, and again recovered to 31½. The Northern Pacifics were especially weak. Manhattan Elevated stock was first firm up to 35½ and afterward sold at 34⅝@34¾, and Metropolitan sold at 97¾@98¼@97¾. In the Board room members were more intent upon discussing the political situation than in attempting to drive a business; hence the closing was dull and featureless.

There was more doing in Government bonds, and the business at the boards amounted to $78,000. Prices were firm all around, excepting for the 4s, the fixed bids for which are ⅛ lower than yesterday. Annexed are the closing quotations:

| U.S. 4½s '91, coup. | 108¼ | 108¾ | Dist. of Col. 3-65s | 97 | 98 |

The dealings in State bonds included North Carolina consolidated 4s at 80, Virginia 6s, deferred, at 7⅝, and Missouri 6s (1887) at 107½. Louisiana consols are quoted 48⅜@49, and Tennessee 6s, old, 35 bid, and new 31¼@32, and new series 31@32. The sales of city bank stocks covered Commerce (19) at 144 and Metropolitan (15) at 151.

Railroad bonds were dull, but the dealings developed some irregularities. Erie second consols, with small dealings, were higher at 89¼. Missouri, Kansas and Texas first consols were ½ cent lower at 106, and seconds ½ cent lower at 61. Rome, Watertown and Ogdensburg first consols rose to 68, but closed unchanged at 67¾. Lehigh and Wilkesbarre consols were ½ lower at 96, and Chesapeake and Ohio firsts, series B, ⅜ lower at 71⅛, and currency interest debts ½ lower at 40⅛. Mobile and Ohio firsts 6s were strong at 104, and Canada Southern firsts at 95¾. Metropolitan firsts were steady at 103¾, and the seconds sold at 94. Ohio Central firsts continued in demand at 95@95½. St. Paul consols rose ¼ to 115¼. Denver and Rio Grande consols were ⅛ higher at 97⅞, and Kansas Pacific consols ¼ higher at 96¼. Texas and Pacific firsts, Rio Grande Division, declining ½ to 83½.

The bank statement to-day shows important changes, the loans being expanded $4,179,600, and the specie increase amounts to $1,735,900. But a corresponding increase ($5,402,200) in deposits and a loss of $416,700 legal tenders result in a loss to the surplus reserve of $31,350. The following are the totals of the statement and changes of the week:

| | | | |
|---|---|---|---|
| Loans | $313,521,200 | Inc. | $4,179,600 |
| Specie | 65,392,200 | Inc. | 1,735,900 |
| Legal-tenders | 12,629,600 | Dec. | 416,700 |
| Deposits | 301,013,600 | Inc. | 5,402,200 |
| Circulation | 18,573,700 | Dec. | 31,350 |
| Total reserve | 79,021,800 | Inc. | 1,319,200 |
| Surplus reserve | 4,368,400 | Dec. | 31,350 |

The Sub-Treasury to-day gained $191,074 on balance, made up by gains of $9,590 currency and $181,484 coin. Money was in excessive supply on call, and the rate fell to 2 per cent for loans secured by pledges of ordinary Stock Exchange collateral. The domestic exchanges on New-York at the places named are quoted as follows: Savannah, ⅜@⅛ discount; Charleston, 7/16 discount to par; New-Orleans, $2 discount to par; St. Louis, 75 cents discount; Chicago, 60@50 cents discount. The customs receipts at Washington to-day amounted to $473,072, and the internal revenue receipts to $436,657. The Treasurer received $70,000 in National bank notes for redemption; the totals of such receipts for the week, compared with the same week of 1879, being as follows:

| | 1879. | 1880. | | |
|---|---|---|---|---|
| New-York | $177,000 | $188,000 | | |
| Boston | 97,000 | 73,000 | | |
| Philadelphia | 69,000 | 61,000 | | |
| Miscellaneous | 327,000 | 381,000 | | |
| Total | 670,000 | 703,000 | | |

The Treasury now holds $359,950,450 in United States bonds to secure bank circulation. United States bonds deposited for circulation for the week, $780,000; United States bonds held for circulation withdrawn for the week, $740,000. National bank circulation outstanding: Currency notes, $342,575,863; gold notes, $1,325,060. The Clearing House statement to-day shows as follows: For the day—Exchanges, $91,179,743; balances, $4,500,734; for the week—exchanges, $651,169,020; balances, $28,586,849. The transactions at the Sub-Treasury covered: Receipts, $906,176; payments, $715,101; currency balance, $5,338,426; coin balance, $73,355,716.

The foreign exchanges probably never were duller than at the present time, the business doing being little more than nothing. But the rates are steady and unchanged on the basis of the following nominal quotations:

| Prime bankers' sterling bills on London. | 60 days. | 3 days. |
|---|---|---|
| | $4 80¾@4 81½ | $4 83¾@4 84 |

In London, British consols are unchanged at 97 15/16 for both money and account. United States 5s are steady at 105¾; 4½s ¼ higher at 112¼, and 4s ⅛ lower at 111. Erie shares fell ½ to 40⅛, and second consols ¼ to 92¼. Illinois Central is quoted ⅞ lower at 115, and Pennsylvania ¼ lower at 60⅛. The Bank of England to-day gained £209,000 bullion on balance. In Paris, French 3 per cents declined from 84.75@84.80 to 84.40; sight exchange on London falling from 25.38½ to 25.35½ francs on the £. Thursday's cables were in error in reporting the week's specie loss by the Bank of France. The correction to-day shows the losses to have been 21,790,000 francs gold and 3,681,000 francs silver.

The gross earnings of the following railroads are reported:

DENVER AND RIO GRANDE.
