ARCTIC RECORD HELD BY PEARY

American Naval Officer Reaches 87 Degrees, 6 Minutes, North Latitude.

FAILED TO REACH THE POLE

INTREPID EXPLORER HOMEWARD BOUND.

New York, Nov. 2.—The United States now holds the record of "farthest north," 87 degrees, 6 minutes. This feat was accomplished by Commander Robert E. Peary, of the United States navy. The intrepid arctic explorer failed to reach the north pole, as he had confidently hoped to do with his specially constructed vessel, the Roosevelt, but he penetrated nearer to the pole than the Duke of Abruzzi's expedition, which had held the record, 86 degrees, 34 minutes. What Commander Peary did and his experiences during the past year in the frozen north are rather briefly but certainly vividly summarized in a communication received tonight by Herbert L. Bridgeman, secretary of the Peary Arctic club. This communication follows:

Word From Peary.

"Hopedale, Labrador, via Twillingate, N. F., Nov. 2.—Herbert L. Bridgeman: Roosevelt wintered north coast Grantland, somewhat north Alert winter quarters. Went north with sledges February via Heckla and Columbia. Delayed by open water between 84 and 85 degrees. Beyond 85 degrees gale disrupted ice, destroyed cache, cut off communication with supporting bodies and drifted due east. Reached 87 degrees, 6 minutes, north latitude over ice, drifting steadily eastward. Returning(ate eight dogs. Drifted eastward, delayed by open water, reached north coast Grantland in straitened conditions. Killed musk oxen and returned along Greenland coast to ship. Two supporting parties driven on north coast Greenland. One rescued by me in starving condition. After one week recuperation on Roosevelt, sledged west, completing north coast Grantland and reached other land, near 100th meridian. Homeward voyage incessant battle with ice, storms and headwinds. Roosevelt magnificent ice fighter and seaboat. No deaths or illness during expedition.

(Signed) "PEARY."

Came as a Surprise.

After furnishing to the Associated Press the contents of Commander Peary's report, Mr. Bridgeman said that the receipt of any news from the explorer now was quite a surprise to him, because he had supposed it had become too late in the season for Commander Peary to send news of his venture. Mr. Bridgeman added that the message spoke for itself, and that since he did not know more of the results of Commander Peary's effort to reach the pole than the public did, he could hardly comment upon the dispatch. There was little doubt, however, he said, that Commander Peary was coming home. This seems to be borne out by the routing of the dispatch. Hopedale, or Hoffenthal, is a Moravian mission station on the east coast of Labrador. Twillingate is a port on the east coast of Newfoundland. Mr. Bridgeman said the message was probably mailed by Commander Peary from Hopedale to the most accessible cable point.

ORE OF GREAT RICHNESS.

Some Remarkable Strikes in the Goldfield District.

(Special to The Herald.)

Goldfield, Nev., Nov. 2.—Authentic reports have been received here that very rich ore has been found on the hanging wall in the cross-cut tunnel on the Nevada Hills, at Fairview. The tunnel has been closed and padlocked and no official information is given out. The Nevada Hills has also struck $2,000 ore in a winze below No. 2 tunnel, which has been in ore since it was started.

Mohawk sold today for $15 per share, and George Wingfield has made good a joking promise by inviting all resident brokers and their employes and visiting brokers to a banquet at the Palm tomorrow night.

A strike of $1,000 ore was made in the Great Bend Extension at Diamondfield, and the stock gained ten points from last night, selling 35,000 shares. The market is strong and bullish and sales the heaviest in the history of the exchange.

STUDENTS VISIT SMELTERS.

The senior class of mining engineers made a trip to the American Smelting & Refining company's smelter at Murray yesterday. The day was spent in examining the machinery and the processes of treating ores. They began the examination of the plant where the crude ore from the mines was unloaded and followed it until it came out in bars of pure metal. Samples were taken of the ores in the different stages and a collection of these is being arranged by the instructor of the class, Professor R. H. Bradford.

Free from Alcohol

Since May, 1906, Ayer's Sarsaparilla has been entirely free from alcohol. If you are in poor health, weak, pale, nervous, ask your doctor about taking this non-alcoholic tonic and alterative. If he has a better medicine, take his. Get the best, always. This is our advice.

We publish the formulas of all our preparations. J. C. Ayer Co., Lowell, Mass.

CHARGES ATTEMPT TO ROB

Denver Barber Accuses Supposed Friends of Trying to Steal His Money.

William Jensen, a machinist, 20 years old, and George B. McClellan, 31 years old, a bartender in a Commercial street saloon, were arrested last night on complaint of L. R. Frederickson, a barber, who claims that the two men arrested tried to rob him of his money and diamonds.

Frederickson know McClellan in Denver and when he reached Salt Lake last night he sought out the saloon at which he was employed. There he met Jensen and several rounds of drinks were purchased by them. In paying for these drinks Frederickson showed a $100 bill. He also wore a diamond stud and ring that were conspicuous. Frederickson said that McClellan, Jensen and two other men held a whispered conference, after which they invited him to go for a walk.

He claims that they suggested he accompany them and he refused to go, but they took him by the arm and half dragged him up two flights of stairs. There they tried to lock him in the room and attempted to assault him. He ran to the door which was unlocked and he started down stairs. There, he says, he met Jensen. They scuffled for several minutes and Policeman Gulbranson was attracted by the noise and took both men to police headquarters where Jensen was locked up. Shortly afterwards McClellan was also arrested.

Cured of Bright's Disease.

Mr. Robert O. Burke, Elnora, N. Y. writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve to twenty times a night, and I was all bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living, when a friend recommended Foley's Kidney Cure. One 50-cent bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." F. J. Hill Drug Co. "The never substitutors."

IF IT HAPPENS IT'S IN THE HERALD.

Four Hundred Years Ago

DANDELION was used by the Arabs as a blood purifier. Today it is used by every medical man throughout the world, because every physician knows that it is one of the most valuable and effective of all nature's remedies. On most prescriptions for pills and tablets you will see the words Ext. Tarax, Q. S., this means Extract of Dandelion, sufficient quantity. A doctor's prescription costs you anywhere from $1.00 to $5.00, and it is generally worth the money. Dr. Edward's Dandelion Tablets or Pills cost 25 cents a box of thirty, and they are always worth the money, because they are a certain cure for those diseases for which they are recommended.

What Dandelion Tablets and Pills Are.

Everybody knows that Dandelion is the most valuable of all Nature's remedies. Well, Dr. Edward's Tablets and Pills are simply common dandelion (Taraxicum) in a concentrated form, combined with other harmless ingredients of purely vegetable matter. They are one of the very few proprietary medicines endorsed by the medical profession. If your physician desires to know what these preparations contain, have him write us and we will gladly send him the information, together with the name of the expert chemist who superintends their manufacture.

Stomach and Liver Trouble Cured.

Grand Rapids, Mich., Aug. 20, 1906.

SCHENCK CHEMICAL CO.

Dear Sirs:—I have used your Dandelion Tablets for my liver and stomach. I think they have entirely cured me. I am very thankful to you. MRS. RICHARD PENNEL.

Endorsed by Physician.

THE SCHENCK CHEMICAL CO.

Gentlemen:—I have used your Dandelion Tablets and Pills myself and in my family with very gratifying results, and have the evidence of others, who have used them, and all praise them. They should be in every family, for I believe they are all you claim for them. As a superior cathartic, and for all kidney and liver diseases, also diabetes, I know of nothing better. Yours truly,

Detroit, Mich. Dr. G. A. CLEMENT.

Rheumatism Cured.

310 E. 43d St., Chicago, Ill., July 2, 1906.

SCHENCK CHEMICAL CO.

Dear Sirs:—For about seven years I have been tortured with rheumatism. I had it in my arms and joints so badly that I could scarcely raise my hands to my head or walk on my feet. But now, thanks to your wonderful Dandelion Tablets, I have not had a pain in six months, which I consider remarkable, as I had suffered so long. I want to recommend it to all suffering from this painful and irritating disease. MRS. J. W. RIPPERGER.

Nervous Trouble.

It is well to remember that disordered nerves are nearly always caused by a disordered stomach. We do not make a specialty of nervous troubles unless they are caused by stomach trouble—then we cure them permanently.

BOTH TABLETS AND PILLS SOLD BY ALL DRUGGISTS. Price 25c.

Diseases Cured by Dandelion Tablets and Pills

Constipation.

In constipation the Tablets act as a mild cathartic, the Pills are slightly stronger, but both tablets and pills act upon the mucous membranes of the intestines, therefore their action is absolutely sure and also for this reason they never gripe or cause the least discomfort. They are equally good for children as well as adults, because they are a tonic and do not produce any unnatural condition of the bowels.

Stomach Trouble.

The Tablets are the best to use in cases of Stomach Trouble which take the form of Dyspepsia, Indigestion, Sour Stomach, etc., because they tone up the system and stimulate the flow of gastric juice, thus very effectively aiding the digestive organs to perform their proper functions. Their mildly cathartic action also relieves the stomach of all refuse and undigested matter.

Kidney Trouble and Rheumatism.

All Kidney trouble and nearly every case of Rheumatism is due to the presence of uric acid in the blood. Dr. Edward's Dandelion Pills through their direct action upon the Liver and Kidneys restore these organs to a sound and healthy condition. The uric acid then passes away through the natural channel and the blood becomes pure again and free from all poisonous matter.

We only guarantee to cure Rheumatism when it is caused by the presence of uric acid in the blood. We have cured hundreds of cases because this is usually the cause of rheumatic affections.

Liver Trouble.

Through their direct and immediate action upon the liver, Dr. Edward's Dandelion Tablets and Pills induce a natural flow of bile. This relieves the congested condition of the liver and enables it to perform its important work of keeping the bowels and stomach in a healthy condition.
