LIVE STOCK MARKET.

NEW-YORK, Dec. 1.—BEEVES—Receipts yesterday and today, and including all transports, were 256 cars of 4,302 head—157 cars at Jersey City and 99 cars at Jersey City for slaughter, against 18,500 cattle and 1,500 cows for the corresponding time last week. More than one-half of the offerings arrived at a late hour, which made a dragging and discouraging market. The weather was mild and stormy, and drovers were not anxious to purchase any more cattle than will be needed to carry them until Friday. Trade was therefore dull, and nearly all West-ern buyers bought cattle just many. Good and Prime steers sold moderately well, at rather higher prices than were current on Monday for like quality, and the medium and Common grades of cattle were stocked off at about previous prices. Some Rough Virginia and Maryland steers were sold as low as 6½c. Extra Texas and Colorado Native steers at 7@8½c. to dress 53@55 lb. Good to Choice do., 7@7½c. to dress 50@52 lb. Extra at 11½@11¾c. to dress 57@58 lb. At 2:00 p. m. 32 car loads of Cattle were reported unsold, against 18 car loads and 14 cars at 6 o'clock—and 14 cars of N. Morris's Cattle were taken off at Philadelphia. Mr. Eastman reserved 175 head for export alive and dressed; D. G. Converbought 124 head, on order, for shipment alive to Bermuda, and Sherman & Olcott and D. Dolan on purchased some for exportation to Great Britain. Some quarters of Beef were sent to Nevada, and not sold until this morning; she has 200 quarters of Beef and 300 carcasses of Mutton on board which were shipped by Joseph Eastman. Other shipments today were 24 Live Cattle by Gebhardt & Walter, and 5 quarters of Beef, 100 carcasses of Mutton and 100 dressed Hogs by D. Dolan & Co., all to Liverpool; and the Ethiopia is expected to sail this evening with 91 Live Cattle for Bermuda.
