The Sub-Treasury to-day lost $194,679 on balance, made up by a coin loss of $251,563, less a currency gain of $56,884. This makes the net loss since last Friday $1,945,281. Money was easier to-day and call loans ruled at about 5 per cent, with a few exceptional late transactions down to 3 per cent. The domestic exchanges on New-York at the places mentioned are quoted as follows: Savannah ⅛ discount to ¼ premium, Charleston 3/16 discount to par, New-Orleans $3 discount to par, St. Louis 50 cents premium, Chicago 50 to 60 cents premium, Boston par. The United States Treasurer at Washington to-day received $148,000 in National bank notes for redemption. The customs receipts were $164,772, and the internal revenue receipts were $133,961. The following is the Clearing House statement to-day: Exchanges, $211,565,915; balances, $5,354,088. The transactions at the Sub-Treasury to-day covered: Receipts, $741,524; payments, $936,203; currency balance, $3,732,115; coin balance, $67,821,295.

Notwithstanding that the Bank of England rate for discount was advanced per cent, the foreign exchanges to-day were hardly as firm as yesterday. The quotations, however, are unchanged, bankers' bills, by the new method, being quoted 98¾ and 99⅜ per cent, respectively for sixty-day and short-sight sterling. Annexed are the posted quotations:

The governors of the Bank of England, at their weekly meeting to-day, raised the rate for discount from 3 per cent to 3½ per cent. During the week the bank lost £142,000 bullion, but the proportion of its reserve to its liabilities is reported as increased from 36 3/16 to 40 13/16 per cent. At the London Stock Exchange British consols rose ⅛ to 98 7/16 for money, but remained unchanged at 98 11/16 for account. United States 5 per cents were steady at 104⅜, the 4½s being ⅛ lower at 115⅜ and the 4s not quoted. Excepting Reading, which rose to 32½ on the Street after Exchange hours, American railways generally were little lower than yesterday. Union Pacific was quoted 117 and Ontario and Western 32⅞. In Paris, French 3 per cents declined to 85.02½. The weekly statement of the Bank of France shows losses of 4,495,000 francs gold and 2,602,000 francs silver.

BANKING AND FINANCIAL.

OFFICE OF FISK & HATCH, BANKERS, NO. 5 NASSAU-ST., NEW-YORK, Jan. 13, 1881.

DEAR SIR: The price of the Six per cent First Mortgage Bonds of the Elizabethtown, Lexington and Big Sandy Railroad Company has been advanced from 97½ and interest to par and interest, to take effect from this date.

The price of the Chesapeake and Ohio Bonds, Series A, has been advanced from 102½ and interest to 104 and interest, from the same date.

The active demand for both the above classes of bonds for permanent investment during the last few days has absorbed the amounts placed at our disposal at the prices at which they were heretofore offered.

We have this day issued the eighth edition of our "Memoranda Concerning Government Bonds," corrected to January 1; to which has been added other matter of interest to investors, including general remarks on Wall Street and stock transactions, a glossary of terms used in connection therewith, statistics of the growth and progress of the United States in production, population, &c., and notes on gold and silver.

Copies may be had, free of charge, upon application at our office in person or by mail. Very respectfully, FISK & HATCH.

OFFICE INDIANA, BLOOMINGTON AND WESTERN RAILWAY COMPANY, January 10, 1881.

The transfer books of this company will close Feb. 1, and reopen March 16, 1881, for the purposes of the meeting of stockholders called for March 15. A. SULLY, Secretary.

LIVE STOCK MARKET

NEW-YORK, Jan. 13—BEEVES—Fresh arrivals were 76 cars of 1,297 head—51 cars at Gansevoort and 25 cars at Jersey City. Total since Saturday 10,917, against 9,295 head for the corresponding five days last week. Some of yesterday's late arrivals were sold at Jersey City at a slight reduction from previous prices, but the trade was slow and unimportant. Only a few cattle arrived at Gansevoort, to make a fair supply, and buyers were out in sufficient force to sustain the rates of full yesterday's prices. About 24 car-loads changed hands at from 9c. to 9½c. for dressed, 9½c. to 9¾c. for Texas, and Mr. Eastman received 17 car-loads for British markets. About 1,100 cattle are reported for the week's supply at Jersey City. No report was received at 40th st. at a late hour this morning.

The streets are still badly blocked with snow and ice, especially in the vicinity of Washington Market, and it is very difficult for trucks to get about. There was a good many retail butchers out today and a fair trade is reported in dressed beef at 7@9c. for common to prime sides. Prime beef is scarce, there has been for sale of months, and it is hard to find choice carcasses, even at the uptown slaughter-houses. A carload of Poor Western Dressed Beef from the Fairbanks Cooking Company of Chicago was closed out by Francis McMullin at 6c. per lb.

The steamer Lamports sailed today with 100 Live Cattle for W. H. Thompson & Co., and the City of Brussels with 819 quarters of Beef, 400 carcasses of Mutton and about 2,000 Dressed Hogs for Sherman & Gilbert. J. T. Davis had 167 Live Cattle on the City of Bristol today, but she will hardly get off before to-morrow.

Sales—R. C. Coon sold for self: 32 Illinois Steers, 1,233 lb. at 10c. 56 lb; 18 do, 1,180 lb, at 10c. and 50c. each; 15 do, 1,352 lb, at 11c. 57 lb.

Vogel & Rosenstein for Meyer & Rosenstein: 18 Illinois Steers, 1,132 lb, at 9½c. 56 lb; 16 do, 1,172 lb, at 10c; 17 do, 1,136 lb, at $5.40; 1 Bull, 1,020 lb, at $4.10.

D. Swift for self: 21 Illinois Steers, 1,107 lb, at 9c. 56 lb; 23 do, 1,029 lb, at 9c. and 21 each: 20 do, 1,156 lb, at 9½c. and 21 each; 34 do, 1,175 lb, at 9½c; 37 do, 1,208 lb, at 10c, see 50c. each; 32 do, 1,267 lb, at 10c; 17 do, 1,205 lb, at 10½c.

H. S. Rosenthal for self: 17 Illinois Steers, 1,050 lb, at 9c, 56 lb; 16 do, 1,107 lb, at 9½c; 35 do, 1,153 lb, 9½c; 13 do, 1,100 lb, at 9½c.

CALVES—Receipts were 154 head—109 at Jersey City and 45 at Washington Market. Demand very limited and trade very slow, particularly for Grassers and Fed Calves, which are from 50c. to over 1c. lower than yesterday. Grassers are quoted at 2½@2¾c. and Fed Calves at 3@3½c. Hallenback & Davis sold 60 Calves, average, at 3½c. gross, 200 lb, at $2.60. The export Fed Calves are 3½ lb, at 3c. Choice Veals are wanted at full figures, but the mass of stock drags; fresh cows are quiet at the range of prices. There is but an over supply of country Hog-dressed Calves arriving and poor to low stock sells slow. Some Milk Calves are quoted at $40@$60, and from 10@20c. for cats. Barnard's Calves at 11c. and Buttermilk Calves at 9@10c.

SHEEP AND LAMBS—Receipts were 18½ cars of 2,905 head, all at Gansevoort, and 9 cars were reported back on the Pennsylvania road, and sold on the New-York market. Total since Saturday 22,362 head against 24,658 head for the corresponding five days last week. Good stock was in fair demand and moderately active, but common and medium grades were dull, and prices favored the buyer. Butchers are having even more trouble this week in disposing of their Wool sales than they had last week, and a good many slaughterers have a quantity of Sheep still on hand. Common mixed lots of Ewes are received and sold at 4@4½c. and Bucks less than the average grade sold to bring $4 @ $5. A recent circular commenting on the wool market, says: "The market contains a small share of the product manufacturers have provided such stock on hand, and others are still apparently occupied with closing up their last year's business. In some parts of New-England a scarcity of water is reported, and many mills are idle. The goods market is in good shape, dealers generally reporting an active business at firm prices. This gives hopers of Wool confidence, and stock is held very firmly." But no improving quantity of Wool lower prices would have to be accepted. In view of these facts Wool Shippers are beating the market, which has been tracks on the piers or shipped. Receipts 9 transactions were at 24@30c. for Four to good sheets, and 6@17c. for Lambs. Late yesterday, Mr. Dodge bought two car loads of export Wethers at 5c. 70 and 5½c. respectively. There was a fair trade in Dressed Mutton and Lambs at 7@8c. for the former and 8@9c. for the latter.
