WOOL—Messrs. Manger & Avery, in their circular, say: "The demand since New Year has been mainly for Stapled Wools, particularly fine delaines. California Wools have been quiet compared with the previous month; sales have been mainly of Fall Wools at reduced prices, with very large parcels of Spring, which were forced off at a considerable decline. Oregon Wools have ruled dull, and to effect sales a sharp decline from present asking prices would have to be submitted to. Territory Wools—These Wools have shared the general decline; the movement has been small though regular; the offerings are liberal and holders are more urgent to sell. Texas Wools: with the exception of the choicer kinds, these Wools have been neglected; holders have not urged their sale, and quotations are more nominal than other classes; the stock is almost entirely Fall Clip. Foreign Wools; the London auctions opened on the 15th inst. with prices 0 to 7 per cent below closing rates of previous sales, which had been generally expected; the movement in our market has been quite limited, and prices of all classes have had to be marked down. BEEVES—Receipts yesterday and to-day were 121 carloads at Jersey City and 100 cars at 60th-st., making 3,840 head against 4,339 head last Monday. The arrivals of the past week were 204 head more than the last week, and 1,830 head more than the corresponding week last year. The large receivers of Live Stock during the week were: D. Waixel, 1,984 head; T. C. Eastman, 1,330 head; Morris & Slegel, 994 head; H. Meyer, 700 head; Samuels & Shamberg, 755 head; Meyer & Regenstein, 705 head; F. Joseph, 639 head; I Waixel, 534 Ingwersen Bros. 439 head.

Exports for the week were as follows: Ingwersen Bros, 439 Live Cattle; I. S. Van Norden & Sons, 168 Live Cattle; A. F. Tucker, 90 Live Cattle; J. & H Meyer, 5 Live Cattle; Joseph Eastman, 4,776 quarters of Beef and 1,300 carcasses of Mutton. Sherman & Gillett, 1,204 quarters of Beef, 307 carcasses of Mutton, and 1,256 Dressed Hogs; D. Toffey & Co., 512 quarters of Beef, 400 carcasses of Mutton, and 152 Dressed Hogs, making a total of 702 Live Cattle; 6,492 quarters of Beef, 2,007 carcasses of Mutton, and 1,408 Dressed Hogs, against 291 Live Cattle, 3,775 quarters of Beef, 20 Live Sheep, 1,175 carcasses of Mutton, and 805 Dressed Hogs last week.

Following the strong finish on last Monday Cattle came forward sparingly on Wednesday, and the market showed a still further improvement. But on Friday trade was extremely dull, notwithstanding the dirty supply, and it was impossible to effect a clearance without shading prices. To-day's receipts were also moderate, but exporters' wants were few, and home-trade slaughterers were not buying very freely; there was, therefore, a quiet market, though a little stronger feeling was perceptible than at the closing Friday. Prices were generally rated about 1½c. same as on last Monday for Common and Good grades, and a little higher for Medium and Fair Steers. Among the offerings were 8 car-loads of Fair Native Stiers, which were sold at 9¾c. to dress 56 lb, less $10 on the lot, and 2 loads of Stable-fed Steers from Lancaster County, Penn., changed hands at 10½@10¾c. to dress 56 lb, less $10 on the lot. Most of the sales of Ordinary to Fair Steers were at 9@10½c. to dress 55@56 lb, with Good to Prime do. at 10¾@11½c. to dress 56@57 lb. There were comparatively few Prime Cattle offering, and none that could be classed as Choice. Some Ilonga Oxen and Stags were sold at 3¾@4c. live weight and 7¼@8¼c. to dress 55 lb; and several car-loads of Fat Bulls at 4@4½c. live weight. The bulk of the receipts at Sixtieth-st. went direct to slaughterers and to an exporter, so that very little trade is recorded at these yards. Fourteen car loads of Stock arrived after 12 m. and were not offered.

Mr. Eastman reserved 415 head for British markets. Messrs. D. Toffey & Co. purchased about 400 head, and Messrs. Sherman & Gillett, 28 head, all for exportation in dressed quarters. No steamers laden with live cattle or fresh meat left this port to-day. But to-morrow the Wyoming takes out 2,000 quarters of Beef and 400 carcasses of Mutton for Joseph Eastman.
