PROPOSALS.

PROPOSALS—State Prison Supplies—Sealed proposals will be received at the office of the Clerk at the State Prison, San Quentin, until 10:30 a. m., SATURDAY, the 18th day of June, 1904, and at the office of the Clerk of the State Prison at Folsom until 9:30 a. m., SATURDAY, the 25th day of June, 1904, at which times and places they will be opened in the presence of bidders, for furnishing and delivering supplies for said prisons, consisting of subsistence stores, forage, fuel, fuel oil, furnishing power to run the jute mill and electrical appliances for jute mill at San Quentin, clothing, medicines, lime, cement and other staple supplies, from July 1, 1904, to June 30, 1905, inclusive, on conditions as per printed schedules which will be furnished upon application at either of the above offices. No bid will be considered unless made upon said schedules, nor unless accompanied by the certified check therein required, nor from any other parties than bona fide dealers in the classes of articles to be furnished. Each bidder must accompany his bid with a certified check upon some well known and responsible banking house for at least 10 per cent of the amount of his bid, payable to the President of the Board, conditioned that the bidder will enter into a contract upon notice of acceptance, as required by law. Bids for either prison must be marked separately. All payments made on contract will be paid in cash or Controller's warrants. Bidders will carefully follow the conditions of the schedules. The Board reserves the right to reject any or all bids, as the public interest may require, and to order any quantity over or under the amount specified. R. M. FITZGERALD, President. J. M. OLIVER, Clerk.

DEPARTMENT of the Interior, U. S. Geological Survey, Washington, D. C., May 26, 1904—Sealed proposals, in duplicate, will be received at the office of the United States Reclamation Service, at Reno, Nevada, until 2 o'clock p. m., July 15, 1904, for the construction of about 37 miles of main distributing canals, involving about 1,500,000 cubic yards of earthwork, with diverting dam, regulating gates, spillways, falls, weirs and bridges, for the diversion and conveyance of about 1800 cubic feet of water per second from Carson River at a point about 4 miles west of Leetville, Nevada, to irrigable lands in Carson Sink Valley. Bids will be received on (A) excavation and embankment for one or more divisions or all the work; (B) headworks; (C) falls, spillways, wirs, lateral headgates and pipe drains; (D) highway bridges. Specifications, form of proposal and particulars may be obtained after May 20, 1904, by application to L. H. Taylor, Reno, Nevada, and to the Chief Engineer of the Reclamation Service, Washington, D. C., at whose offices the plans may be inspected. Each bid must be accompanied by a certified check for $1000, payable to the Secretary of the Interior, as a guarantee that the bidders will, if successful, promptly execute a satisfactory contract and furnish bond in the sum of 20 per cent for the faithful performance of the work. The right is reserved to reject any or all bids, to waive technical defects, or to accept one part of a bid and reject the others, as the interest of the service may require. Proposals must be marked, "Proposals for Distributing Canals, Truckee-Carson Project, Nevada." Bidders are invited to be present. THOS. RYAN, Acting Secretary.
