LIVE STOCK MARKET.

NEW-YORK, July 14.—BEEVES—Fresh receipts were 39 cars of 597 head—31 cars of export Cattle for Mr. Eastman, 7 cars for sale at Scott's Exchange, wholesale butchers of West Fortieth-st., and 1 car of small State Cattle for the market. The Bulls were not easily sold at 3@3¼c. live weight. Not enough stock offering to make a market, and no business was transacted at either of the stock yards worth recording.

There was a fair demand for Good to Prime Dressed Beef, but the poorer grades, especially Common Texas Beef, were dull and lower. Warm weather contributed somewhat to the depressed feeling. A little Choice Beef was sold in Washington Market at 10½c., but Fair to Prime Native Sides were mainly sold at 9@10c., with very Common down to 9@8½c. Poor carcasses of Texas Beef sold down to 4¾@5c. but the bulk of the sales were at 5 to 6½c., with some very good up to 7c., and even 7½c.

Mr. T. C. Ketman shipped 101 Live Cattle on the Rhenlina, and the White Star steamer Republic took out 620 quarters of Beef and 200 carcasses of Mutton for Mr. Joseph Eastman.

Buttermilk Calves, 4@4½c.; Fed Calves and mixed lots at 4¼@5½c.; Poor to Prime Veals at 5@7½c.; and Choice to Extra at 7¼@8c.—about 31 State Veals sold at the latter price, but it is an extreme rate and can only be reached for exceptionally fine Calves in small lots.

SHEEP AND LAMBS—Receipts were 25 cars of 5,459 head—19 cars at Jersey City, 5½ cars at 40th-st., and ½ car at Washington Market. Total since Saturday, 28,522 head, against 19,768 head for the corresponding time last week. Buyers were a little slow to take hold and pay the prices, but sellers' were firm and would not yield. Butchers' finally cleared the pens at about steady prices for Lambs and strong yesterday's rates for good Sheep. The high figures which have been ruling for some week, if continued long, will tend to crown out the Washington market butchers' entirely. Trade at the slaughter houses is said to be fair, but the market is by no means healthy. The retailer has close figuring to cut his margins, only a fair demand for good Lambs. Quotations: Poor to Good: of Southern and Western Lambs at 5½@8¾c.; of State Pennsylvania and Jersey at 6@9½c.; and 2 car-loads of good Maryland Lambs sold at 8¾c.
