LIVE STOCK MARKET.

NEW-YORK, Aug. 3.—BEEVES—Receipts to-day and yesterday were 304 cars of 5,228 head—150 cars at Jersey City and 154 cars at 60th-st.—also about 29 car-loads of Cattle were carried over from last Monday. Total since Saturday 10,138 head, against 10,044 head for the corresponding time last week. Sellers were slow to meet buyers' views, and the market was dull and dragging. Many of the Cattle arrived late, which caused an unsettled feeling, and the last arrivals could not be closed out without making liberal concessions. The stock that was yarded before sunrise was sold at about Monday's ruling figures for like quality, but sales made after 11 a. m. were at a slight reduction, especially for Native Steers. Drovers tried very hard to sell out, but a clearance was not made at either of the market places. Butchers seemed to get all the cattle they wanted, and with upward of 30 car-loads to be carried over, the prospects clouded 642 head of Texans and Colorados. The former sold partly Corn-fed Colorados up to 9½c., to dress 56 lb. Some poor Virginia Oxen sold down to 7¼c., to dress 55 lb, and a car-load of rough Michigan dry-fed at 7½c., to dress 65 lb. But the transactions in Native Steers were at 8½@10½c., to dress 55@59 lb, for Very Common to Fair, and 10¾@12c., to dress 56@57 lb, for Good to Strictly Choice, latter price for 19 Missouri steers of 1,594 lb average, sold by Messrs.
