LIVE STOCK MARKET.

NEW-YORK, Aug. 26.—BEEVES—Receipts were 261 cars of 4,200 head—143 cars at Jersey City and 118 cars at 60th-st. Total since Saturday 16,545 head, against 13,769 head for the corresponding six days of last week. The receipts to the extent were even heavier than predicted, and including the cattle carried over from Wednesday there were altogether to-day at both market places nearly 300 cars. Included in this number, however, were 23 cars of Export Cattle and 16 cars consigned to Slaughterers direct, leaving upwards of 230 cars to be sold to the Butchers. The actual needs of Slaughterers were very limited in amount and many went to the yards more to see what prices were to be obtained rather than because they were in want of cattle, 60 cars on the Pennsylvania Road had not reached the Stock Yards at 10 o'clock a. m., and the last train of 21 cars did not arrive until about 2 p. m. One of the several markets of the place was experienced by the dullest interest, and at a decline of ¼@½c per lb the yards were not cleared at 3 p. m. by at least 50 loads. Texans sold more readily than Common and Medium Natives, and declined barely ¼c per lb. All grades of Natives were lower, and for common stock salesmen were glad to have an offer of any kind, esteeming it a favor to get the butchers to enter the pens and look at the Cattle. Texans were sold at 7¼c. less $1 per head, to 7½c. to dress 55 lb, and several loads of Colorados at 8@8¼c. to dress 56 lb. Native steers sold from 7c. to dress 53 lb, up to 11½c. to dress 57 lbs., five loads of poor grass-fed Kentucky steers selling at the inside figure. Two cars of 30 head of Prime Illinois Steers bought for export for Reinhardt & Co., and averaging 1,558 lbs., were sold by F. Joseph and will be slaughtered by A. Edelmuth. The price paid was $6.65.

Shipments to-day and to-morrow are 320 Live Cattle on the Assyrian Monarch by M. Goldsmith and 1923 quarters of Beef and 314 carcasses of Mutton in the Anchoria and 1,000 do. by Joseph Eastman. The Persian Monarch which sailed August 16 with 325 Cattle belonging to Lingham & O'Brien returned to this port yesterday with a broken propeller and the Cattle were landed at Jersey City. They will most likely be reshipped next week.
