WHO SAYS SO? We say that our store in the First ward may not have caused a commotion, but do say that we are running off an immense stock of Clothing at the Leading First Ward store, corner of Twentieth street and Pennsylvania avenue, but who ever saw a store where a Smith was that did not do business? and the reason is, they always sell their goods too cheap. That is why they are always poor. (Who ever heard of a Smith getting rich? I never did.)

We are determined to furnish all the First Ward with Good Clothing.

Everybody had better come soon and buy, as our neighbors, in a similar business, say that we cannot stand it more than ninety days longer selling goods so cheap, but we have a very large lot of Clothing, Hats, Caps, Boots, and Shoes left, and we are determined to run them off at great bargains, at Headquarters for Clothing in the First Ward, corner of Twentieth street and Pennsylvania avenue and No. 460 Seventh street.

GRAND ADVANCE OF THE ARMY,

and clothiers are crying up the great advance of clothing, but we are selling at a small advance on old prices. We have a large stock on hand, and are selling them off to make more room, for we have a very large stock of Clothing at our manufactory, and are now running off our stock at less than wholesale prices to make room. We have always been fighting against high prices, and shall continue to do so. Mr. SMITH is in the market all the time, and is enabled to furnish our store with a superior stock, and we cannot be undersold by any one. We have the means to sell cheap, and are determined to do it at

TREASURY OF THE UNITED STATES,

WASHINGTON, December 8, 1861.

On Wednesday last, the 4th instant, there disappeared from this office a package of blank "Certificates of Indebtedness," of the denomination of five thousand dollars, numbered from 14,501 to 15,000, both inclusive. No certificates like them have ever been issued from this office, and none will ever be issued.

The true certificates of the denomination of five thousand dollars have their numbers WRITTEN on the face, in red ink, at the upper corners, directly under the marginal border. The words "If the order blank be not filled up, this certificate, issued to ——, will be paid to bearer," are PRINTED ON THE BACK of the certificates, in *red ink.* All that have been issued since about the 1st instant, commencing about No. 11,000, have the large denomination, "5000," printed on the face, in red ink. All certificates that will issue from this office in future, will be like those issued heretofore. Those in the lost package differ from the genuine in having the words above quoted, viz: "If the order blank be not filled up, this certificate, issued to ——, will be paid to bearer," *engraved on the face* of the certificate, running over the vignette, and there taking the place of the borders, and continued below on each end, over the engraved denominations of "5000." The numbers are *printed* in on each end, in *red ink,* under the "5000" denomination; the large denomination is in green ink. Certificates of the denomination of one thousand dollars, answering the description of those lost, have been and are being issued; but none of that denomination have been lost.

On all genuine certificates there is an ornate figure or garland placed over and under each of the two scrolls containing the denominational figures, "5000." The garland matches three indentations of the scroll, running lengthwise of the certificate, and is about three quarters of an inch long, an eighth of an inch wide in the centre, tapering both ways from the centre. On the lost certificates, this garland does not appear.

Treasurer of the United States.

DR SWEET'S INFALLIBLE LINIMENT,

THE

GREAT REMEDY

FOR RHEUMATISM, GOUT, NEURALGIA, LUMBAGO, STIFF NECK AND JOINTS, SPRAINS, BRUISES, CUTS, AND WOUNDS, PILES, HEADACHE, AND ALL RHEUMATIC AND NERVOUS DISORDERS;

For all of which it is a speedy and certain remedy, and never fails. This Liniment is prepared from the recipe of Dr. Stephen Sweet, of Connecticut, the famous bone-setter, and has been used in his practice, for more than twenty years, with the most astonishing success.

AS AN ALLEVIATOR OF PAIN, it is unrivaled by any preparation before the public, of which the most skeptical may be convinced by a single trial.

This Liniment will cure rapidly and radically, **Rheumatic Disorders** of every kind, and, in thousands of cases, where it has been used, it has never been known to fail.

FOR NEURALGIA, it will afford immediate relief in every case, however distressing.

It will relieve the worst cases of *HEADACHE* in three minutes, and is warranted to do it.

TOOTHACHE, also, will it cure instantly.

FOR NERVOUS DEBILITY AND GENERAL LASSITUDE, arising from imprudence or excess, this Liniment is a most happy and unfailing remedy. Acting directly upon the nervous tissues, it strengthens and revivifies the system, and restores it to elasticity and vigor.

FOR PILES.—As an external remedy, we claim that it is the best known, and we challenge the world to produce an equal. Every victim of this distressing complaint should give it a trial, for it will not fail to afford immediate relief, and, in a majority of cases, will effect a radical cure.

QUINSY AND SORE THROAT are sometimes extremely malignant and dangerous, but a timely application of this Liniment will never fail to cure.

SPRAINS are sometimes very obstinate, and enlargement of the joints is liable to occur if neglected. The worst case may be conquered by this Liniment in two or three days.

BRUISES, CUTS, WOUNDS, SORES, ULCERS, BURNS, AND SCALDS, yield readily to the wonderful healing properties of DR. SWEET'S INFALLIBLE LINIMENT, when used according to directions. Also, *CHILBLAINS, FROSTED FEET, AND INSECT BITES AND STINGS.*
