Lake Shore opened at 107, rose to 107⅞, declined to 106½, and closed at 106¾ against 107½ yesterday, and Central and Hudson sold at 128¾@129, and Central and Pacific at 127½@127⅞. Erie was dull, but yielded from 35½ to 34¾@35. Western Union was active and dropped from 82⅞@83¼ to 81¾@82. The market closed quiet and weak at figures that are only small fractions above the lowest for the day.

There was unusual activity for Government continued 5s and for the 4s, the other issues being neglected. For the continued 5s the final bids are ¼ lower; for the 4½s and the 4s they are ¼ higher. Annexed are the closing quotations:

Erie second consols were less active than they have been for several days, but they fluctuated irregularly between 92½ and 93⅜, and closed at 92⅞. Wabash general mortgages were a feature in the dealings because of a decline to 79@79½ with only moderate transactions. Missouri, Kansas and Texas general 6s were up ¼ at 81. C., C. and I. C. incomes sold at 45. Mobile and Ohio first debentures were ½ easier at 82½. Canada Southern firsts were steady at 94½. Ohio and Mississippi seconds sold at 118¾@120 for small amounts. Ohio Central incomes were 1 per cent higher at 36. New-York Elevated firsts were off ⅝ at 116⅜. East Tennessee, Virginia and Georgia consols were steady at 74, and the incomes were up ¾ at 48½. The Sub Treasury to-day lost $2,647,178 on balance made up by a coin loss of $2,698,134, less a currency gain of $50,956. This makes the total loss on balance since last Friday $7,775,629. To-day's transactions covered: Receipts, $2,262,128, including $1,000,000 coin from Philadelphia Mint; payments, $3,909,306; currency balance, $3,915,239; coin balance, $86,627,607. Money to-day was in abundant supply at the Stock Exchange, and call borrowers were accommodated at from 4 to 3 per cent, with some exceptional loans at 2½ per cent. The closing rate was about 4 per cent. The domestic exchanges on New-York at the places named are quoted as follows: Savannah, ⅛@⅜ premium; Charleston, ⅛@¼ premium; New-Orleans, commercial 25 cents premium, bank $2 premium; St. Louis, $1 premium; Chicago, 75 cents premium; Boston, 30@25 cents discount.

The Clearing House statement to-day is as follows: Exchanges, $168,261,082; balances, $7,314,931.

The United States Treasurer at Washington to-day received $224,000 in National bank notes for redemption. The customs receipts were $713,096 and the revenue receipts $377,172.

This was an off day for the foreign exchanges and the market was dull and rates rather weak at quotations for business as follows: Bankers' bills, $4 86¼ and $4 89¼ for long and short sterling respectively; 5.18⅜ and 5.15¼ for francs; 95 and 95⅞ for reichmarks; and 40⅛ and 40½ for guilders.

The governors of the Bank of England at their regular weekly meeting to-day made no change in the bank's minimum rate for discount, and it remains at 3 per cent. During the week the bank gained £103,000 bullion, and the proportion of its reserve to its liabilities was raised from 36⅝ to 42 5-16 per cent, against 43⅝ per cent at same date last year. At the London Stock Exchange, British consols were off ⅛ at 101 9-16 for money and 101 11-16 for account. United States continued 5s were up to 105¼, and the 4s to 121¾. American railways were all lower, the greatest declines being in Lake Shore, St. Paul and Central and Hudson. At Paris the French 3 per cents declined to 84.02½ francs.

The directors of the Richmond and West Point Terminal Company announce that they have decided to postpone the closing of the books of the company until May 5, as under the Stock Exchange rule requiring thirty days notice the new stock would not be a good delivery until that time.

The Assistant Treasurer at New-York is authorized hereafter, and until otherwise directed, to exchange in quantities of not less than $1,000 in value, fine gold bars for gold certificates, or for gold coin of standard weight.
