DR. JOHNSTON,

OF THE

BALTIMORE LOCK HOSPITAL.

Office 7 South Frederick street.

From his extensive practice in the great Hospitals Europe and the few in this country, viz: England, France, Philadelphia and elsewhere, can offer the most certain, safe, speedy and effectually in the world for all DISEASES OF IMPRUDENCE.

A CURE WARRANTED IN TWO DAYS.

Weakness of the Back or Loins, Strictures, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Timidity, Trembling, Dimness of Sight or Giddiness, Diseases of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels, these terrible results arising from the Solitary Habits of Youth—SECRET and solitary practices, more fatal to their victims than the song of Syrens to the Mariners of the Odyssey, leading on to premature hopes or anticipations, rendering marriage, &c., impossible.

YOUNG MEN

who have injured themselves by a certain practice indulged in when alone—a habit frequently learned from evil companions, or at school, the effects of which are startling even when asleep, and if not cured renders marriage impossible, and destroys both mind and body—should apply immediately.

What a pity that a young man, the hope of his country, the pride of his parents, should be snatched from all prospects and enjoyments of life, by the consequence of deviating from the path of nature, and indulging in a certain secret habit.

MARRIAGE.

Married Persons, or Young Men contemplating marriage, being aware of physical weakness, than of Procreative Power, Impotency, Impediments, Impotency, Palpitation, Organic Weakness, Nervous Debility, or any other disqualification speedily relieved.

☞ No letters answered unless inclosed and containing a stamp to be used on the reply. Persons writing should state age, and send a portion of advertisement describing their complaint.

ENDORSEMENT OF THE PRESS.

The many thousands cured at this establishment within the last 10 years, and the numerous instances of Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the "Sun," and many other papers, notices of which appeared in these papers, leads the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.
