Baltimore Markets.

BALTIMORE, March 12. — Breadstuffs — Flour — There was some movement in Flour to-day, but the market presents the same general feature as has been written week. The sales reported on Change amount to 1,300 bbls, as follows: 300 bbls Western Super at $6.50; 40 do. Extra at $6.75; 500 do. do. at $7.50@7.75; 200 do. Family and 100 Howard Street do. at $8.25; 300 Western do. at $8.75@9; and 100 choice do. do. at $10.

Wheat.—The market continues dull and heavy, and we reduce quotations for choice Southern amber to $2.05, which was the highest figure offered to-day. The receipts were very light, but there was a fair amount offering, and the only sales reported were 200 bushels prime Southern white at 93, and 300 bushels choice do. amber at $2.05.

Corn.—The receipts of Corn were light to-day, amounting to about 20,000 bushels, of which 15,000 bushels were Southern. The market for Southern was firm but quiet, transactions being restricted by the moderate offerings. The sales embrace 5,000 bushels prime White at 65@66 cents; 400 bushels choice Southern Corn at 67 cents; 1,000 bushels mixed at 64 cents, and 2,000 bushels yellow at 66@68 cents. Western mixed is held at 66@66½ cents, but we learn of no sales to-day.

Oats and Rye.—Oats are very firm, with continued light receipts, and we note sales 1,000 Western mixed at 45 cents, and 500 do. Southern at 46 cents. There were a few small lots of Rye offering, but no sales were reported, and we quote at 90@92 cents.

Provisions.—The advices from the West are less favorable, and the market for Provisions is dull and weak. The only transaction reported yesterday was 50 tierces clear ribs sold at 8¾ cents. There is nothing doing in bulk Meats, and we reduce our quotations to 5¾ cents for Shoulders; 7¾ cents for rib sides, and 7¾ cents for clear rib do., loose, in round lots. Bacon is in good jobbing demand, and we quote at 6¾@7 cents for Shoulders; 8¾ cents for rib sides, and 8¾@9 cents for clear rib do., and Hams we quote at 14@15 cents. We quote Western lard at 8¾ cents, and Messrs. Hoffman & Stone at 8¾@8¾.

Whisky.—The market for High Wines is lower, and we note sales of 50 bbls at 89½ cents, and 150 do. at 90 cents, closing at the latter figure.

Baltimore Lock Hospital.
DR. JOHNSTON,
Physician of this celebrated Institution, discovered when in the Great Hospitals of Europe, the Continent, France and elsewhere, the most certain, speedy, pleasant and effectual remedy in the world for all
EXCESSES OR ABUSES OF THE SYSTEM.
Weakness of the Back or Limbs, Stricture, Affection of the Kidneys or Bladder, Involuntary Discharges, Impotency, General Debility, Nervousness, Dyspepsia, Languor, Low Spirits, Confusion of Ideas, Palpitation of the Heart, Trembling, Dimness of Sight or Giddiness, Disease of the Head, Throat, Nose or Skin, Affections of the Liver, Lungs, Stomach or Bowels—those terrible Disorders arising from Solitary Habits of Youth—secret and solitary practices more fatal to their victims than the song of the Sirens to the Mariners of Ulysses, blighting their most brilliant hopes or anticipation, rendering marriage, &c., impossible—destroying both Body and Mind.
YOUNG MEN
especially, who have become the victims of Solitary Vice, that dreadful and destructive habit which annually sweeps to an untimely grave thousands of young men of the most exalted talents and brilliant intellect, who might otherwise have entranced listening senates with the thunders of eloquence, or waked to ecstasy the living lyre, may call with full confidence.
Those are some of the sad and melancholy effects produced by the early habits of youth, viz: Weakness of the Back and Limbs, Pains in the Head, Dimness of Sight, Loss of Muscular Power, Palpitation of the Heart, Dyspepsia, Nervous Irritability, Derangement of the Digestive Functions, General Debility, Symptoms of Consumption, &c.
MENTALLY.—The fearful effects on the mind are much to be dreaded. Loss of Memory, Confusion of Ideas, Depression of Spirits, Evil Forebodings, Aversion to Society, Self-distrust, Love of Solitude, Timidity, &c., are some of the evils produced.
MARRIAGE
Married persons, or Young Men contemplating marriage, aware of Physical Weakness, Loss of Procreative Powers, Impotency, Nervous Excitability, Palpitation, Dyspepsia, Muscular Weakness, Nervous Debility, or any other Disqualification, speedily relieved.
INDORSEMENT OF THE PRESS.
The many thousands cured at this establishment within the last twenty years, and the numerous important surgical operations performed by Dr. Johnson, attest the high professional skill and success of Prof. Depaul. Our establishment is by far the largest and most perfect in the world. Large Ivory Syringes, packages of ten, $2; primary revaccinators (scales), most carefully selected, $5. All virus is fully warranted efficient. It will be packed to go with perfect safety by mail. Full directions for use accompany each package. Remittances must accompany order.
