PROPOSALS FOR MAIL BAG TAGS.
POST OFFICE DEPARTMENT, November 15, 1876.
Sealed proposals will be received at this Department until noon on the 21st day of December, 1876, for furnishing, by contract, Printed Wooden Tags in such quantities and at such times as may be required and ordered during one year from the first day of January, 1877; the quantity of such Tags to be furnished being two hundred thousand, more or less, as shall be required and ordered during that period.
Such Tags are to be of two kinds—narrow and wide.
The narrow Tags are to be made of suitably hard wood, tapered, and of a light color, in rectangular strips, each six and a half inches long, one inch wide, and a half inch thick, and having a circular hole three eights of an inch in diameter bored through it, at a point one inch from one end. Each of these Tags is to have printed and slightly indented thereon in suitably large letters, the name of such post office and State or of such mail route, or of such route agency, as may be specified on schedules which will accompany each order, and also have printed thereon, in small letters, a direction for its return to such office as may be specified on such schedules. The printed side of each Tag is to have a smooth surface.
The wide Tags are to be similar to the others in all respects excepting that they will be made two inches instead of one, and excepting the printing, which will consist of such brief direction, in larger letters as will be required, and particularly specified in the schedules for mails sent to foreign countries. Samples of the Tags hereby advertised for can be obtained on application, by letter, to the Second Assistant Postmaster General.
All the Tags contracted for are to be delivered at this Department in the city of Washington, tied in bundles of fifty of each inscription, and at the risk and expense of the contractor, and they must be inspected and found to conform to the samples and the orders of the Department before they will be accepted or paid for.
Every proposal must be signed by unconditionally the price of each Tag offered to be furnished.
The proposals received will be opened, read and verified in this Department at noon the 21st day of December, 1876, and a decision thereon will be made within three days thereafter.
The Postmaster General hereby reserves the right to reject any or all of the proposals received under this advertisement, if, in his judgment, the interests of the service may thereby be promoted.
The accepted bidder must enter into contract, and with two sureties, satisfactory to the Postmaster General, be bound in the penalty of four thousand dollars for the faithful performance of the contract; and for a failure on the part of the contractor to comply with the contract he and his sureties shall be liable for the forfeiture of the full sum of four thousand dollars as liquidated damages, to be sued for in the name of the United States in an action of debt in any court having jurisdiction thereof. The contract and obligation must be duly signed and executed within ten days after the receipt thereof from this Department.
Every proposal must be accompanied with a bond in the penalty of two thousand dollars, executed by the bidder and two sureties, (certified to be sufficient by the postmaster where they reside,) conditioned for the bidder's entering into contract, as hereinbefore specified, in case his proposal be accepted by the Postmaster General.
Blank forms of proposal and bond will be furnished on application to the Second Assistant Postmaster General; and all bidders are required to conform thereto in submitting their bids under this advertisement.
Any proposal should be inclosed in a sealed envelope, indorsed "Proposals for Mail Bag Tags," and be addressed to the "Second Assistant Postmaster General, Washington, D. C."
JAS. N. TYNER, Postmaster General.
