At 60th-st. with 15 carloads reserved by Mr. Eastman and 6 cars bought on him for export alive, the light offerings of freshly cleaned beeves at about ¼c advance over Wednesday's prices. At Jersey City, with very little call from exporters Good and Prime Steers showed no material improvement, while common and Medium Cattle were in active demand at strong ¼@½c higher figures than on the last market day, with the exception of 14 Choice Indiana Steers sold by Sherman & Culver to Mr. D. Mr. Solinger's steers averaged 1,404 lb and will be slaughtered for H. C. Gassell of Jefferson Market. Three or four of the tops were extra fine cattle.

There was a rumor in the yards of a withdrawal of one of the large Chicago shippers for a brief interval. Mr. Eastman reasures to-morrow the exportation of Live Cattle with a shipment of 1,100 head on the Germanic and Mr. Goldsmith will load the steamer Bristol for Avonmouth with 80 Live Cattle and 250 Live Sheep.
