WOOL.—Hallowell & Coburn, of Boston, say: The new year opens with a better feeling in the wool market that has been noted for several months. We are not able to report any advance in prices, but they are less irregular under improved demand. We repeat our views as stated by us last week, when we said: "We believe prices have touched bottom, and in the absence of any unusual event, we expect to see our present quotations fully sustained hereafter."

BEEVES—Receipts were 193 cars at Jersey City and 139 cars at 60th-st., making 5,566 head against 5,143 head last Monday. The receipts for the past week were 686 head more than last week, and 545 head less than the corresponding week last year. The course of the markets up to Friday week last year. The course of the markets up to Friday showed an improvement in the Common and Medium grades of Cattle equal to fully ¼c per ℔, while Good and Prime Steers declined from ¼c per head to ¼c. closing dull. The receipts to-day were quite liberal, as predicted last Friday, and although there was a fair demand from slaughterers, with some 250 head wanted by exporters in addition to the 580 head reserved by them, yet the closing figures of last week could not be maintained, and the average decline was rated equal to about ¼c per ℔, with a few Choice Steers selling at steady prices. A carload of little Ohio Stockers sold at 9c, to dress 54 ℔, and few inferior Steers at 9@9¼c, to dress 55@56 ℔; but general sales of Common to Prime ranged from 9½ to 11¾c, to dress 55@57 ℔. The 25 Choice and Extra Steers at 12@12½c. to dress 57 ℔. The 25 cars which arrived at noon would hardly be sold to-day, and a 5 carlot did not reach the yards until evening.

The Denmark did not get off on Saturday as expected, but will sail to-morrow. Joseph Eastman will load the Arizona to-morrow with Dressed Beef and Mutton, and to-morrow night M. Goldsmith will put on the Galileo about 60 Live Cattle and 300 Live Sheep.

The unfortunate City of Brussels which was sunk off Liverpool had on board 1,120 quarters of Beef and 153 carcasses of Mutton, sent out by Sherman & Gillett.

The week's shipments of Live Cattle and Sheep, and Dressed Beef, Mutton and Hogs, were as follows:
