MEDICINAL.

TUTT'S PILLS.

A distinguished physician of New York says: "It is astonishing how universally Dr. Tutt's pills are used. In my daily rounds I hear of them not only among the poor, but their virtues are heralded from the mansions of the wealthy and refined. Knowing the inventor from his long connection with the medical profession, I have great confidence in their merits, and of late have often prescribed them with the happiest results in cases where I desired to make a decided impression on the liver."

TUTT'S PILLS cure sick headache.

TUTT'S PILLS cure dyspepsia.

TUTT'S PILLS cure constipation.

TUTT'S PILLS cure piles.

TUTT'S PILLS cure fever and ague.

TUTT'S PILLS cure bilious colic.

TUTT'S PILLS cure dizziness, nausea, sick stomach, dull pain in the head, costiveness, loss of appetite, bowels alternately loose and costive, coated tongue, low spirits, a general feeling of prostration, want of energy, and a disinclination to exertion of body or mind, irritability of temper, high-colored urine, and frequent disturbed sleep, are the offspring of dyspepsia and torpid liver.

TUTT'S PILLS cure torpid liver and dyspepsia.

TUTT'S PILLS impart appetite.

Dr. Tutt has been engaged in the practice of medicine thirty years, and for a long time was demonstrator of anatomy in the Medical College of Georgia, hence persons using his pills have the guarantee that they are prepared on scientific principles, and are free from all quackery.

He has succeeded in combining in them the invigorating action of mercury with the tonic properties of iron, the latter being added to counteract the tendency of mercury to produce a salivation.
