W. Fry, William H. Macfarland, and James Lyons, executed by said Virginia Central Railroad Company, bearing date on the 23 day of June, 1854; all and singular the premises, rights, privileges, and franchises included and conveyed in and by the trust-deed to John B. Young and Robert R. Howison, executed by said Virginia Central Railroad Company, bearing date on the 8th day of February, 1866; all and singular the premises, rights and privileges, and franchises included and conveyed in and by the trust-deed to Philo C. Calhoun, William Butler Duncan, William Orton, and Mathew F. Maury by the Chesapeake and Ohio Railroad Company, bearing date on the 1st day of October, 1869; all and singular the premises, rights, privileges and franchises included and conveyed in and by the trust-deed executed by said Chesapeake and Ohio Railroad Company to Philo C. Calhoun and William Butler Duncan, bearing date on the 15th day of January, 1870; and all and singular the premises, rights, privileges, and franchises included and conveyed in and by the trust-deed executed by said Chesapeake and Ohio Railroad Company to the said Philo C. Calhoun and William K. Kitchen, bearing date on the 1st day of October, 1873.

All which will be sold as an entirety, free and discharged of and from the liens and incumbrances on the said several mortgages and deeds of trust, and of and from each and every one of said deeds of trust or mortgages, and free and discharged of and from all and singular the liens of every kind and description in said decrees found and recited except the liens for taxes therein referred to; if any such liens shall be established, and the liens of the certificates of indebtedness of the receiver for the payment of the arrears of taxes due to the State of Virginia, if any of the said certificates shall remain unpaid at the time of sale.

THE TERMS OF SALE WILL BE AS FOLLOWS:

The purchaser shall pay on the day of sale, or within such short time thereafter not exceeding ninety days as the undersigned may designate on the day of sale, the sum of two hundred thousand dollars ($200,000) in cash; but any sums which the Receiver shall in the meantime have applied out of any earnings of the road after the day of sale to the interest due and accrued on the obligations of the Virginia Central Railroad Company, or to such other purposes as the Receiver may by law or decree be empowered to apply under the orders of the court, and any sums which, at the expiration of the said ninety days, he may have in hand after paying the expenses of operating the road, shall be deducted from the amount so required to be paid in cash.

For so much of the purchase-money as shall be equal to the balance of the interest due and accrued on the obligations of the Virginia Central Railroad Company at the date of the trust-deed hereinafter mentioned, as directed to be made for the security thereof, and so much of it as then unpaid and unprovided for, (the amount whereof will be estimated as nearly as possible and made known at day of sale,) to credit the purchaser or purchasers, his or their representatives or assigns, in the first place, toward the payment and discharge of that part of the purchase-money applicable to the payment and satisfaction of the past-due interest on the bonds of the Virginia Central Railroad Company, or toward the payment of any installments of interest that may become due and payable between the date of sale and the transfer and conveyance of the property to the purchaser, in such order as the Court may direct.

For so much of the purchase-money as may be applicable to the payment of the principal of said bonds secured by the mortgages of trust deeds executed by the Chesapeake and Ohio Railroad Company to Duncan and Calhoun and Calhoun and Kitchen, respectively, in the ratio and proportion by said decrees established, a credit is to be allowed of twelve years from date of sale; but the undersigned will receive from the purchaser or purchasers, his or their representatives or assigns, the interest coupons of the said bonds in payment at such rate per centum of the par value of the said coupons as will be payable to the holders at such coupons upon the distribution of the proceeds of sale under the priorities of lien as by said decrees settled and determined.

For so much of the purchase-money as may be applicable to the payment of the principal of said last-mentioned bonds in the ratio and proportion by said decrees established the purchaser or purchasers, his or their representatives or assigns, will be allowed a credit for such part thereof as will be due and payable in respect of such class of bonds for a period of time corresponding to the time which each class respectively has yet to run before the maturity thereof.

That portion of the purchase-money which may be applicable to the payment of the interest due at the date of sale and to the principal of the bonds under the said two deeds last above mention d in respect of which a credit is given, or so much thereof as may remain outstanding and unprovided for at the date of the conveyance to the purchaser, must be secured by a deed of trust or mortgage, executed to the satisfaction of the Court, ranking next in priority after the liens to be created for the [illegible] of the deferred payments hereinbefore mentioned, which mortgage or deed of trust must be for the common security of bond-holders in said trust-deeds to Duncan and Calhoun and to Calhoun and Kitchen in the ratio and proportion by said decrees established, and interest on the sums for which credit is allowed as aforesaid must be paid semi-annually at the rate of six per centum per annum at such time as the Court may direct.

If the promises should sell for a sum more than sufficient to pay and satisfy all the liens above mentioned and [illegible] of $1 the judgment liens, the surplus must be paid by said purchaser or purchasers, his or their representatives or assigns, in cash.

The sale is to be subject to the ratification or rejection of the court, and possession is not to be delivered until the sale has been ratified by the court and all the conditions of the decrees have been complied with, including the giving of the proper indemnity to the Receiver as to all his then existing contracts and liabilities, which he may make or incur in his own name or in the name of the company, nor until the court shall have ordered the Receiver to surrender possession to the purchaser.

The undersigned will on the day of sale give all the information in his power concerning the taxes claimed by the State of West Virginia, which are now in litigation, and also as to the Receiver's certificates for the arrears of taxes to the State of Virginia subject to a lien, for which taxes and certificates the sale is to be made.

The purchaser or purchasers, his or their representatives or assigns, will be entitled to pay any part of the purchase money not required to be paid in cash in any of the outstanding bonds or interest coupons secured by any of the several mortgages or trust-deeds above mentioned at such rate per centum of the par value of said bonds and coupons with the interest that may be due and payable thereon, as in the opinion of the undersigned will be payable in respect of such bonds or coupons upon the distribution of the proceeds of sale under the priorities of lien as settled
