Mr. William J. Smyth resides at No. 1306 North Seventh street, Philadelphia, Pa., and is well known in journalistic circles. He writes: "I had an attack of rheumatism in both of my knee-joints, and for several days I was almost crazed with the intense pain caused by the disease. To sleep was out of the question. I would lie in bed all night awake, and the slightest motion then would produce such sharp pains in my knee-joints that I would actually scream out. I had to come down stairs one step at a time, and it was difficult for me even to limp about the house, and I found it impossible to attend to my business. Nothing I could do relieved me of the intense pain, although I tried everything I heard of; but a friend came in one day and said, 'Why don't you give that St. Jacobs Oil a trial?' I resolved to, and sent out for a bottle. Almost as soon as I commenced rubbing with the Oil I felt a slight relief of pain and a peculiar tingling sensation in my knees, and the more I rubbed the better I got. By the time I had used up one bottle I felt so much better that I could walk without difficulty, and I can truly say as I sit here that by the time I had consumed two bottles I was entirely cured, and now have not a vestige of rheumatism and have not been troubled with it since I finished up that second bottle of St. Jacobs Oil."

PILES! PILES! PILES!

A Sure Cure Found at Last! No One Need Suffer!

A sure cure for Blind, Bleeding, Itching, and Ulcerated Piles has been discovered by Dr. William (an Indian remedy), called Dr. William's Indian Ointment. A single box has cured the worst chronic cases of twenty-five or thirty years' standing. No one need suffer five minutes after applying this wonderful soothing medicine. Lotions, instruments, and electuaries do more harm than good. William's Ointment absorbs the tumors, allays the intense itching (particularly at night after getting warm in bed), acts as a poultice, gives instant and painless relief, and is prepared only for Piles, itching of the private parts, and for nothing else.

Read what the Hon. J. M. Coffinberry, of Cleveland, says about Dr. William's Indian Pile Ointment: "I have used scores of Pile cures, and it affords me pleasure to say that I have never found anything which gave such immediate and permanent relief as Dr. William's Indian Ointment."
