THE COURTS.

A JUDGMENT IN FAVOR OF A LAWYER.

Moses Chamberlain in 1874 was in the unpleasant situation of having fourteen indictments pending against him in the United States District Court on a charge of having sent through the United States mail scurrilous matter written on postal cards, addressed to Aaron VanValkenburg. Mr. Chamberlain is said to be a rich man and he employed William H. Waring to defend him on the indictments. Mr. Waring employed ex-Judge Fullerton to assist him as counsel. All the indictments except one were dropped. Mr. Chamberlain stood his trial on this one indictment, and was found guilty and was fined $5,000. Mr. Waring then sent in his bill for $5,000. Mr. Chamberlain paid him $750 and offered to pay him $450 more, provided Mr. Waring would then be satisfied. Mr. Waring refused to accept this sum and began an action in the Supreme Court to recover $5,000 less the amount which he had been paid. The case was tried before Justice Larremore, and the jury yesterday rendered a verdict in favor of Mr. Waring for $4,276.

OPPOSING THE REMOVAL OF A CEMETERY.

The argument on the motion to continue the temporary injunction recently obtained by Arthur J. Delaney restraining the trustees of St. Patrick's Cathedral from removing the bodies buried in the St. Patrick's burying ground in Eleventh-st. was had yesterday before Justice Barrett. Mr. Delaney said that the trustees of the cemetery had in fact abrogated their duties, and that the Archbishop as the vicegerent of the Pope ruled as an autocrat. J. J. Glover for the trustees read an affidavit by Cardinal McCloskey, in which many of Mr. Delaney's allegations were denied. The argument will be continued to-day.

MISS CLOOS DAMAGED $3,792.

The jury yesterday rendered a verdict for $3,792 in favor of Ernestine Cloos and against David W. Bruce, as damages for his alleged refusal to keep his promise to marry her. It is not often that a jury in such cases is so extremely nice in its calculation of the amount of damage which it thinks the plaintiff has suffered. The jury was out about two hours. On the first ballot, it is said, the jurors estimated the damages which Miss Cloos had suffered all the way from 6 cents to $5,000. The sum of their estimates, divided by twelve, amounted to about $3,792. The defendant moved for a new trial.

FAILURE OF THE SUIT AGAINST PATTI.

J. W. Van Hoesen, referee in the suit brought by Sophie M. Manzocchi against Madame Adelina Patti, dismissed the complaint yesterday with costs. "The so-called admissions taken together," he said, "amount to no more than this, that the defendant intended to send her man of business to examine into the merits of the plaintiff's demand. It is unreasonable to say that they have any further significance, for the plaintiff did not even mention the amount of her demand. In my opinion there is not the slightest foundation for the plaintiff's claim."

A SEALED VERDICT ORDERED.

The trial of ex-Mayor DeBevoise of Long Island City for conversion of the proceeds of certain city bonds issued by him was ended before Judge Barnard at Long Island City yesterday. Only one witness, J. Ralph Burnett, the Corporation Counsel, was called for the defence. He was not cross-examined. The counsel on both sides summed up and the Judge charged briefly. The jury was instructed to render a sealed verdict.

CIVIL NOTES.

Axel Ernest Bjorkman was allowed by the County Court in Brooklyn, yesterday to change his name to Axel Ernest.

Judge Cullen yesterday granted a motion to set aside the Brooklyn City ordinance which goes into effect on May 1, requiring all street cars to have conductors, until after the suit to test its legality, brought by the Crosstown Railroad Company, is decided.

In the suit of John Hearns to receive $5,000 as damages from the Grand Street, Prospect Park and Flatbush Railroad Company, of Brooklyn, for personal injuries, the jury gave a verdict for $500 as damages, yesterday.

Justice Barrett yesterday, in the Supreme Court, Chambers, refused to refer to a jury the issues in the suit of James H. Mapleson against Madame Juch, to restrain her from singing under any name except his.

James O'Connor yesterday in the Superior Court recovered a verdict for $3,000 against the Second Avenue Railway Company, as damages for injuries alleged to have been sustained by him through the negligence of the company's servants.

The suit of Charles A. Hotchkiss against William J. Hutchinson for the recovery of $108,000, out of which, it is alleged, the defendant defrauded the plaintiff while acting as his broker, was continued before Referee George H. Adams yesterday. The defendant's books were compared with a statement made by him to the plaintiff. Mr. Hutchinson said that he did not recollect to have charged Mr. Hotchkiss less than 6 per cent on any transaction.

William E. Kelley and James Duffy were appointed administrators of the estate of William E. Duffy, a Roman Catholic priest, who died in Connecticut in 1876. The estate was estimated at about $26,000. The heirs of the deceased person became discontented with the action of the administrators. Surrogate Rollins yesterday decided that the administrators must account before him. Complaint is made by the heirs that excessive fees have been paid to lawyers.

The trial of the suit of Mrs. Anna E. Yates, to obtain a dower interest in the estate of Alonzo C. Yates, was continued yesterday before Justice Lawrence. Mr. Graves, of Syracuse, the referee in the suit in which Mr. Yates obtained his divorce from the plaintiff, testified that there had been only two hearings before him. No witnesses had been produced for the defence. He understood that there was some sort of agreement between the attorneys for the parties to the suit that no evidence for Mrs. Yates should be offered. The referee's report was sent to Mr. Yates's counsel the same afternoon on which the second hearing took place. The witness added that that was his usual style of doing business.

THE STAR ROUTE TRIAL.

WASHINGTON, April 12.—In the Star Route trial this morning, James E. Waugh, of this city, testified that he was familiar with Miner's handwriting, and declared that the first six names signed to the petition alleged to have been written and signed by Miner, had been written by Miner. Mr. Henkie was surprised at this statement, and said he had not consulted with the witness.

A report of the proceedings of the United States Senate was put in evidence to show that Dorsey was in Washington at the time when it was charged that he wrote the letter from Chico Springs, New-Mexico. John N. Dorris, a contract office clerk, testified that the law officer of the Post Office Department prepared the form used for contracts.

William H. Betts, an attorney of this city, testified that he had met Moore several times. The Court refused to permit the witness to answer several questions put by Mr. Ingersoll, who finally said: "So far as S. W. Dorsey and J. W. Dorsey are concerned, I am through."

Mr. Henkie—So far as Mr. Vaile and Mr. Miner are concerned, I am through.

Mr. Wilson—We rest, your Honor; so far as General Brady is concerned.

Mr. Merrick—Does that cover them all?

Mr. Henkie—Not Kerdell.

Mr. Merrick—Oh; he has pleaded guilty.

Mr. Davidge—Resting in the bosom of the Government.

Mr. Bliss immediately began the rebutting evidence by calling Messrs. Casey and Brown and Misses Day and Clare, New-York telegraph operators, to the stand to prove the semi-annual destruction of telegrams. The object was to lay the foundation for the introduction of secondary evidence of the contents of the telegrams alleged to have been sent by Dorsey at the Albemarle Hotel to Kerdell on the Washington train in June, 1881.

STILWELL H. RUSSELL SENTENCED.

WASHINGTON, April 12.—Stilwell H. Russell, late United States Marshal for the Western District of Texas, who was recently tried and convicted of presenting false expense accounts, was to-day sentenced by Judge Turner, at San Antonio, Texas, to imprisonment for two years in the penitentiary at Chester, Ill. Russell was appointed by President Hayes, and made application to President Arthur for reappointment, but charges of misconduct in office were preferred against him, and an investigation was ordered by the Attorney-General.

It is estimated that Russell defrauded the Government out of at least $50,000. His official bond, however, is good, and the Department of Justice expects to recover the entire sum from his sureties.

THURSDAY, April 12—P. M.

The stock speculation to-day was desultory, irregular and indecisive. Yet the leading stocks generally show more or less important final gains upon yesterday's last figures. The business of the day amounted to 389,211 shares, against 477,300 shares yesterday. Of to-day's transactions, six stocks contributed nearly 60 per cent: Delaware, Lackawanna and Western, 95,000; Lake Shore, 39,500; Union Pacific, 26,100; Denver and Rio Grande, 23,400; St. Paul, 20,400, and East Tennessee, Virginia and Georgia preferred, 18,200 shares. The market opened dull and the early business generally was done at some concessions from last evening's figures, and there was a bare escape from the development of a marked weakness. A rumored buying of Delaware, Lackawanna and Western, and of Lake Shore, however, was in time to check the growing disposition to realize, and prices hardened for the whole list. Still the market all day betrayed a feverishness which has not been seen for several days. Delaware, Lackawanna and Western fluctuated many times between 129⅝ and 130¼, and finally closed at 130, which is ¾ higher than yesterday's closing figure, and Lake Shore, after frequent fluctuations between 112¼ and 113½, closed at 113¼—½ higher than last evening. The market closed noisy but feverish.

Government bonds were dull and weak; the final bids are ⅛ lower for the 4s, and ⅜ lower for the 4½s. Annexed are the closing quotations:

State bonds were neglected, and there were no transactions in city bank stocks.

The general business in railroad bonds was small, but there was continued activity in a few of the specially speculative issues. Missouri, Kansas and Texas first consols were ⅞ higher, seconds were 1⅛ higher, and the general mortgages after 84 were up ¼ at 83¾. Wabash general mortgages rose ¾ per cent. Texas and Pacific incomes were active, and after selling down to 68 closed at 68½—⅛ lower than yesterday, and firsts, Rio Grande division, were off ⅜ per cent. New-Orleans and Pacific firsts were ¼ easier, and St. Louis and Iron Mountain 5s were up ¾ per cent. Erie second consols were about steady, Rome, Watertown and Ogdensburg firsts were ⅞ lower, Chesapeake and Ohio firsts, series B, were ⅛ higher, Canada Southern firsts were ⅛ higher, New-York, Chicago and St. Louis firsts were ⅛ lower, and New-York, West Shore and Buffalo 5s were off ⅜ per cent. East Tennessee, Virginia and Georgia consols were up ½, and the incomes were dull at ⅛ advance. Mutual Union Telegraph sinking funds were down ½ per cent.

The Sub-Treasury to-day lost on balance $361,511, made up by losses of $62,466 currency and $299,045 coin. The day's transactions covered: Receipts, $570,727; payments, $932,038; currency balance, $6,825,643; coin balance, $122,736,172. Money to-day ruled easy at 6@4½ per cent for call loans. The domestic exchanges on New-York are as last quoted.

The Clearing-House statement to-day is as follows: Exchanges, $122,212,117; balances, $4,255,385.

The United States Treasury at Washington to-day received $291,000 National bank notes for redemption. The customs receipts were $895,055, and the internal revenue receipts $326,435.

The foreign exchanges remain dull, but at firm rates. A loan for $2,500,000 for the Baltimore and Ohio Railroad Company, which, it is understood, Messrs. Brown Brothers & Co. are to bring out in London to-morrow, is likely to supply the market with that amount of exchange. We quote rates for business as follows: Bankers' bills, $4 83⅜ and $4 85¾ for long and short sterling respectively; 5.20¾ and 5.17⅜ for francs; 94⅝ and 95¼ for reichmarks; 40¼ and 40⅜ for guilders.

The Governors of the Bank of England at their regular weekly meeting to-day made no change in the bank's minimum rate for discount and it remains at 3 per cent, which also is the outside rate for bankers' bills. During the week the bank lost £442,000 bullion, but the proportion of its reserve to its liabilities was raised from 34 15-16 to 36 15-16 per cent, against 42 5-16 per cent at the same date last year. To-day the bank further lost £72,000 bullion on balance. The weekly statement of the Bank of France shows losses of 3,475,000 francs gold and 10,775,000 francs silver. At the London Stock Exchange, British consols opened ⅛ lower, but later recovered to 102 9-16 for money and to 102¾ for account. United States 4s were ⅛ higher; the others were unchanged. American railways were irregular; the changes were usually reflections of yesterday's home markets. At Paris, French 3 per cents rose to 79 77½ and sight exchange on London was easier at 25.23⅝ francs to the £.

The Lehigh and Wilkesbarre Coal Company advertise in another column the payment of certain numbers of its sterling mortgage bonds, with the coupons maturing on May 1.

In the mining stock markets Sonora Consolidated continued to be the leading feature, and its price rose 10 cents to $1 10; the dealings, however, were small compared with those of the two preceding days. Robinson rose from 7⅞ to 83@81 cents, and Sierra Grande was up 5 cents at $1 95.
