THE MARKETS.

An Active and Buoyant Opening, But a Sagging of Prices Later in the Day.

NEW YORK, March 6.—The market opened active and buoyant, New York Central, North Western, and Delaware, Lackawana and Western leading with advances extending to ¾. The good feeling lasted till near noon when the news of the New York Central reduced dividend broke the market and that stock declined 2 per cent. London brokers had early information concerning the dividend, and were free sellers at the opening. Sales to noon were 82,000 shares. Half of this was New York Central and Delaware, Lackawana and Western.

In the afternoon prices sagged, New York Central being weakest and dragged whole list with it. The closing was at lowest figures of the day and the tone feverish and excited. Everything looks like going lower to-morrow, and the room traders were especially bearish on the Vanderbilts and North Western.

Bonds were neglected and were lower in sympathy with stocks.

Sterling at 484@87, was very dull.

Money was easy at 1@1½.

SALVATION OIL

Gladly Recommends It.

I contracted some weeks ago a severe cold, with pain in my side and shoulder. I gave your Salvation Oil a trial, and it relieved me at once. I have also used it for headache with good effect, and gladly recommend it.

CHAS. S. GILBERT,
318 Hollins street, Baltimore, Md.

OIL CURES ALL PAIN

What a Car Driver Says.

I've been afflicted with the rheumatism since the cold weather set in, and was unable to get relief at all, although I tried many remedies. I used Salvation Oil, and after applying it for three days I found I could use my arms as well as ever; whereas before I could not raise my hand as high as my head; therefore I most heartily recommend it for any one having rheumatism.

JOHN GAINES, Car Driver,
Pimlico and Pikesville R. R., Pikesville, Md.

IT NEVER FAILS

It is a Sure Cure for Chapped Hands.

I have been troubled with chapped hands for some time, and have tried many remedies without getting relief, until I was persuaded by a friend to try Salvation Oil, which I did, and my hands after using it are entirely well. It is a sure cure for the above, and I gladly recommend it.

WILLIAM CLARK,

A Pretty Woman's Secret.

Fear of discovery, when she resorts to false hair and dyes, is a source of constant anxiety to her. The very persons from whom she most desires to hide the waning of her charms are the ones most likely to make the discovery. But there is no reason why she should not regain and retain all the beauty of hair that was her pride in youth. Let her use AYER'S HAIR VIGOR, and, not only will her hair cease to fall out, but a new growth will appear where the scalp has been denuded; and locks that are turning gray, or have actually grown white, will return to their pristine freshness and brilliance of color. AYER'S HAIR VIGOR cures

Hereditary Baldness.

GEORGE MAYER, *Flatonia, Texas*, was bald at 23 years of age, as his ancestors had been for several generations. One bottle of HAIR VIGOR started a growth of soft, downy hair all over his scalp, which soon became thick, long, and vigorous.

Ayer's Hair Vigor

is *not a dye*, but, by healthful stimulation of the roots and color glands, speedily restores to its original color hair that is

Turning Gray.

MRS. CATHERINE DEANER, *Point of Rocks, Md.*, had her hair suddenly blanched by fright, during the late civil war. AYER'S HAIR VIGOR restored it to its natural color, and made it softer, glossier, and more abundant than it had been before.

Scalp Diseases

Which cause dryness, brittleness, and falling of the hair, dandruff, itching, and annoying sores, are all quickly cured by AYER'S HAIR VIGOR. It cured HERBERT BOYD, *Minneapolis, Minn.*, of intolerable **Itching of the Scalp**; J. N. CARTER, Jr., *Occoquan, Va.*, of **Scald Head**; MRS. D. V. S. LOVELACE, *Loretaceville, Ky.*, of **Tetter Sores**; Miss BESSIE H. BEDLOE, *Burlington, Vt.*, of **Scalp Disease and Dandruff.** Torpidity of the roots of the hair, which, if neglected, may result in incurable baldness, is readily cured by AYER'S HAIR VIGOR. As

AYER'S HAIR VIGOR has no equal. It is colorless, cleanly, delightfully perfumed, and has the effect of making the hair soft, pliant, and glossy.

WHY COMPLAIN OF ENORMOUS GAS BILLS?

GUARANTEED REDUCTION OF 15 TO 40 PER CENT.

The United States Gas Commission.

Ably supported by the united testimony of hundreds of the most intelligent scientists and best informed expert authorities of both Europe and America, have demonstrated, by numerous practical, scientific, and exhaustive tests, that in order to secure the maximum of light at the minimum of cost, gas pressure should not exceed five-tenths of an inch at the burner. Any excess of pressure beyond this limit is simply a waste of gas (or money), diminishing volume and quality of light and increasing expense, in exact proportion as the pressure is increased.

Why Condemn the Gas Companies?

They are powerless to remedy the evil, as, in order to supply all their patrons, whether near or remote, they are compelled to employ an excessive local pressure of fifteen to thirty-tenths in order to supply extreme points of consumption, thus resulting in an excessive average supply to all intermediate consumers. Different decrees of elevation also affect the nominal gas pressure and add materially to the difficult problem of maintaining a low average pressure.

THE REMEDY

Is in the hands of every gas consumer, by attachment to their meter of

Sleeman's Automatic Gas Saving Governor.

Can be attached to any gas meter in 30 minutes. THEY EQUALIZE THE PRESSURE TO FIVE-TENTHS, whether 1 or 100 burners are lighted.

The automatic action of valve cuts off excessive street pressure, when lights are extinguished, thus preventing all wastage and bad odors from leaky pipes.

THEY REMEDY SMOKING AND "BLOWING" LIGHTS IN BURNERS.
INSURE COMPLETE COMBUSTION.
INCREASE BRILLIANCY OF LIGHT.
PERMIT NO WASTE GAS.
NO POISONOUS VAPORS.
NO VITIATED ATMOSPHERE.
