SOMETHING NEW!
HAVE YOU ANY OF
BRADDOCK'S
OIL POLISH!

It is universally acknowledged to be best Preservative of Leather, now in use, by all who have tested it.

It Oils, Blacks and Polishes at the same time, keep the Leather soft and pliable. A gloss is produced instantaneously by a dry brush drawn over it lightly. It requires but one third the amount of Blacking usually applied. It is found that water does not affect the gloss. It adds one third to the duration of the Leather. After two or three coats, the dry brush alone will keep a nice gloss the whole week. It is decidedly the best application for Shoes, Boots and Harness now in use.

KNOW THY DESTINY.

Madame E. F. THORNTON, the great English Astologist, Clairvoyant and Psychometrician, who has astonished the scientific classes of the Old World, has now located herself at Hudson, N. Y. Madame Thornton possesses such wonderful powers of second sight, as to enable her to impart knowledge of the greatest importance to the single or married of either sex. While in a state of trance, she delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a life-like picture of the future husband or wife of the applicant, together with date of marriage, position in life, leading traits of character, etc. This is no humbug, as thousands of testimonials can assert. She will send when desired a certified certificate, or written guarantee, that the picture is what it purports to be. By enclosing a small lock of hair, and stating place of birth, age, disposition and complexion, and enclosing fifty cents and stamped envelope addressed to yourself, you will receive the picture and desired information by return mail. All communications sacredly confidential. Address in confidence,

REPARATOR CAPILLI.

Throw away your false frizzes, your switches, your wigs—
Destructive of comfort, and not worth a fig:
Come aged, come youthful, come ugly and fair
And rejoice in your own luxuriant hair.

REPARATOR CAPILLI.

For restoring hair upon bald heads (from whatever cause it may have fallen out) and forcing a growth of hair upon the face, it has no equal. It will force the beard to grow upon the smoothest face in from five to eight weeks, or hair upon bald heads in from two to four weeks. A few ignorant practitioners will force or hasten the growth of the hair or beard. Their assertions are false, as thousands of living witnesses (from their own experience) can bear witness. But many will say, how are we to distinguish the genuine from the spurious? It certainly is difficult, as nine-tenths of the different Preparations advertised for the hair and beard are entirely worthless, and you may have already thrown away large amounts in their purchase. To such we would say, try the Reparator Capilli; it will cost you nothing unless it fully comes up to our representations. If your druggist does not keep it send us one dollar and we will forward it, post paid, together with a receipt for the money, which will be returned you on application, providing entire satisfaction is not given. WONDERFUL BUT TRUE.

MADAME REMINGTON, the world-renowned Astrologist and Somnambulistic Clairvoyant, while in a clairvoyant state, delineates the very features of the person you are to marry, and by the aid of an instrument of intense power, known as the Psychomotrope, guarantees to produce a perfect and life-like picture of the future husband or wife of the applicant, with date of marriage, occupation, leading traits of character, &c. This is no imposition, as testimonials without number can assert. By stating place of birth, age, disposition, color of eyes and hair and enclosing fifty cents, and stamped envelope addressed to yourself, you will receive the picture by return mail, together with desired information.

☞A YOUNG LADY returned to her country home, after a sojourn of a few months in the City, was hardly recognized by her friends. In place of a coarse, rustic, flushed face, she had a soft ruby complexion of almost marble smoothness, and instead of twenty-three she really appeared but eighteen. Upon inquiry as to the cause of so great a change, she painly told them that she used the **Circassian Balm**, and considered it an invaluable acquisition to any Lady's toilet. By its use any Lady or Gentleman can improve their personal appearance an hundred fold. It is simple in its combination, as Nature herself is simple, yet unsurpassed in its efficacy in drawing impurities from, also healing, cleansing and beautifying the skin and complexion. By its direct action on the cuticle it draws from it all its impurities, kindly healing the same, and leaving the surface as Nature intended it should be, clear, soft, smooth and beautiful. MARSDEN'S COLUMN

A FEW WORDS OF COMMON SENSE.

How few there are who are not subject to a malfunction of the lungs or respiratory organs, who, by neglecting premonitory symptoms, bear with the complaint until disease fixes its shafts, causing a life of incessant torture. The hectic flush, and anxiety and distress to friends, TO A COMMON "A SLIGHT COLD" is the heedless speech of many when [illegible] the death-knell of thousands, whom death has rescued from this place.
[illegible] Consumption, Asthma, Bronchitis, Hoarseness, Coughs, Colds, Pain in the Side, Chest and Limbs, Night Sweats, Loss of Appetite, Debility, Dyspepsia, or Night Sweats, it stands unrivalled, imparting tone and vitality to the Stomach, assisting the Digestive Organs to perform their functions, and imparting life and strength to the system. The favorable report of thousands who have been benefitted by this preparation justifies us in offering to it a guarantee that the merits claimed for this medicine fall far short of its intrinsic worth to all sufferers from the above complaints.

WORDS ADDRESSED TO ALL

When the system is relaxed by the oppressive heat of Summer, it becomes more or less predisposed to absorb the poisons arising from house and offal with which our cities abound. This is one of the prevailing causes of the diseases which we are subject to at this season of the year, viz.: Diarrhœa, Dysentery, Cholera, and last, though not least, Looseness of the Bowels, which is a forerunner of these complaints, and ought, in every instance, to be checked. By neglecting the premonitory symptoms, the bowels become relaxed to a degree which often terminates in that fatal scourge, Cholera. The question naturally suggests itself, how can we prevent these diseases, and, if suffering, what is the cure? The grand preventive is cleanliness and pure air. The cure, Marsden's Carminative Syrup, a preparation composed of Gums and Barks indigenous to South America, where the formula has been adopted as being the most efficacious in all Disorders of the Bowels.
Marsden's Carminative Syrup never fails to relieve and cure every case of Diarrhœa, Dysentery, and Cholera.
Prepared by T. W. Marsden, 487 Broadway, New York.

MARSDEN'S
VEGETABLE SANATIVE PILLS.

Are purely Vegetable, free from Mineral and Mercurial Preparation, and compounded with great care. They may be relied upon in all cases of Constipation, Bilious Disorders, Nervous or Sick Headache, Gout or Rheumatism, Dyspepsia, Dropsy, and all Affections of the Liver, as the most prompt, safe, and reliable medicine known. They are active and mild, being particularly designed for the Bilious diseases of the Southern and Western States. When timely administered, they will be found efficacious in Bilious and Remittent Fevers, Fever and Ague, Costiveness, Colic, Worms, Pains in the Bowels, Heartburn, Flatulence, Indigestion, Pain in the Head, Back or Breast, and in all cases where a Cathartic is required. Their great excellence consists in this, that they are compounded from the concentrated virtues of the medical substances of which they are composed, consequently they have far greater potency, and far more remedial effect, than the same medicinal substances whether mixed or administered singly.
