Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription."

Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R.V. Pierce, Pres., Buffalo, N.Y.

Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. Follow his advice.

Ayer's — We publish our formulas. We match alcohol from our medicines. We dare you to match it from ours.

Unless there is daily action of the bowels, poisonous products are absorbed, causing headache, biliousness, nausea, dyspepsia. We wish you would ask your doctor about correcting your constipation by taking laxative doses of Ayer's Pills.

Lexington People Give Credit Where Credit is Due.

People of Lexington who suffer with sick kidneys and bad backs want a kidney remedy that can be depended upon. The best is Doan's Kidney Pills, a medicine for the kidneys only, made from pure roots and herbs, and the only one that is backed by cures in Lexington. Here's Lexington testimony:

C. S. Mitchell, farmer, Lexington, Mo., says: "My kidneys and bladder gave me a great deal of trouble. I had difficulty in retaining the kidney secretions and the physician I consulted seemed unable to give me any permanent relief. Hearing of Doan's Kidney Pills, I procured a supply at Crenshaw & Young's drug store and it did not take them long to remove my trouble. I heartly recommend this excellent remedy."

The above statement was given in May 1906 and on April 30, 1909, Mr. Mitchell said: "I value Doan's Kidney Pills as highly today as when I previously recommended them. At times when hard work brings on a slight attack of backache, I take this remedy and it never fails to give me immediate relief. I consider Doan's Kidney Pills the best kidney medicine in existence."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Women Suffer Agonies from Diseased Kidneys

And Most Women Do This Not Knowing the Real Cause of their Condition

These poor, suffering women have been led to believe that their misery of mind and body is entirely due to "ills of their sex." Usually the kidneys and bladder are responsible—or largely so. And in such cases, the kidneys and bladder are the organs, that need and must have attention.

Those torturing, enervating sick headaches, dragging pains in back, groin and limbs, bloating and swelling of the extremities, extreme nervousness or hysteria, listlessness and constant tired, worn-out feeling—are almost certain symptoms of disordered and diseased kidneys, bladder and liver.

DeWitt's Kidney and Bladder Pills have, in thousands of cases, been demonstrated as remarkably beneficial in all such conditions of female organism—affording the most prompt relief and permanent benefit.

As an illustration of what these Pills will do, Mrs. P. M. Bray of Columbus, Ga., writes that she was very ill with kidney trouble, and that she is now well—and that these Pills are what cured her.

They are very pleasant to take, and can in no case, produce any deleterious effects upon the system—as syrupy, alcoholic, liquid preparations are apt to do.

E. C. DeWitt & Co., Chicago, Ill., want every man and woman who have the least suspicion that they are afflicted with kidney and bladder diseases to at once write them, and a trial box of these Pills will be sent free by return mail postpaid. Do it to-day.

For Sale by all druggists.

Lee to the Lexington High school and the gifts were acknowledged by Superintendent M. J. Patterson.

Crosses of honor were presented to several of the veterans entitled to them.

Burglar Again.

Lexington's burglar was busy again Saturay night. At three o'clock Sunday morning he attempted to get into the store of Barron brothers on Eleventh and Franklin. He used his customary method of breaking out the glass. He accomplished this by heaving a stone through a rear window of the store. A number of people live in the rooms over the store and they were aroused by the crash. Officer Gaffin, too, happened to be returning home and he gave chase. The burglar took to his heels and escaped, though Mr. Gaffin fired four shots at him.

According to the officer the culprit is a negro. He is probably the same one who last week broke into Wilson-Fredendall's, Ed Moorman's and Geo. Nasser's. It is expected that he will continue in his marauding until he makes a good haul or gets caught.

Mr. and Mrs. E. C. Gordon, Jr., and son returned Monday to their home in Fort Scott, Kansas. after a short visit with Mr. Gordon's parents.
